## **Nature of complaint**

On July 26 2012 Karin Housley Enterprises LLC purchased a 2006 Ford E350 truck, (a copy of purchase is attached), that vehicle has consistently been used by the Housley for Senate Volunteer as a traveling billboard advertisement for her campaign, (photos enclosed). The late report filed by the Housley committee on 11-01-2012 contains no payment for the use of this truck by the campaign, nor is there an in-kind contribution listed on that report from Housley enterprises LLC. As the photos indicate the use of this vehicle which has been moved around the district clearly exceed the \$100.00 itemization requirement, yet use of the vehicle from the source is omitted from the amended late report. The vehicle has been in use since this summer and is a significant expenditure designed to influence voters, yet they Housley committee has failed in meeting the reporting requirement.

In addition, an expenditure for rental of the Majestic Star Yacht for a fundraising event on October 4, 2012 is also not listed on the late amended report. The fundraising event was profiled by TPT tv and is available on the Almanac website, yet this item nor any of the costs associated with it are listed on the late, amended report by Housley as either an expenditure or unpaid bill.

The report still does not provide all of the known expenditures of the Housley for Senate committee and flies in the face of required information outlined in Minnesota Statutes 10A.025, 10A.17 and 10A.20. We request the Board to promptly investigate this issues.
