You will find the complete text of Chapter 10A, Chapter 211B, and Minnesota Rules chapters 4501 - 4525 on the Board's website at www.cfboard.state.mn.us.

Nature of complaint

Explain in detail why you believe the respondent has violated the campaign finance and public disclosure laws. Attach an extra sheet of paper if necessary. Attach any documents, materials, minutes, resolutions, or other evidence to support your allegations.

Incorrect disclaimer on emails in 2021-Dec 1. See attachments. Ex. 4 is a sample ballot.

Minnesota Statutes section 10A.022, subdivision 3, describes the procedures required for investigating complaints. A full description of the complaint process is available on the Board's website.

Briefly, the Board will notify you when it has received your complaint. The Board must send a copy of the complaint to the respondent. Complaints and investigations are confidential. Board members and staff cannot talk about an investigation except as required to carry out the investigation or to take action in the matter. After the Board issues a decision, the record of the investigation is public.

The law requires a complaint to go through two stages before the Board can begin an investigation: a prima facie determination and a probable cause decision. If the complaint does not pass one of the stages, it must be dismissed.

The Board has 10 business days after receiving your complaint to determine whether the complaint is sufficient to allege a prima facie violation of the campaign finance laws. If the Board determines that the complaint does allege a prima facie violation, the Board has 45 days to decide whether probable cause exists to believe a violation that warrants a formal investigation has occurred. Both you and the respondent have the right to be heard on the issue of probable cause before the Board makes this decision. The Board will notify you if the complaint moves to the probable cause stage.

If the Board determines that probable cause does not exist, the Board will dismiss the complaint. If the Board determines that probable cause exists, the Board will start an investigation. The Board will send you monthly updates regarding the status of the investigation. At the end of the investigation, the Board will offer you and the respondent the opportunity to be heard before the Board makes a final decision.

In most cases, the Board will issue findings, conclusions, and an order as its decision. For a spending or contribution limits violation, the Board can enter into a conciliation agreement with the respondent instead of issuing findings, conclusions, and an order. The Board's final decision will be sent to you and posted on the Board's website.

Pride Month 

From: Stonewall DFL (communications@mnstonewalldfl.org)

To: deldjenkins@yahoo.com

Date: Tuesday, June 1, 2021, 10:04 AM CDT

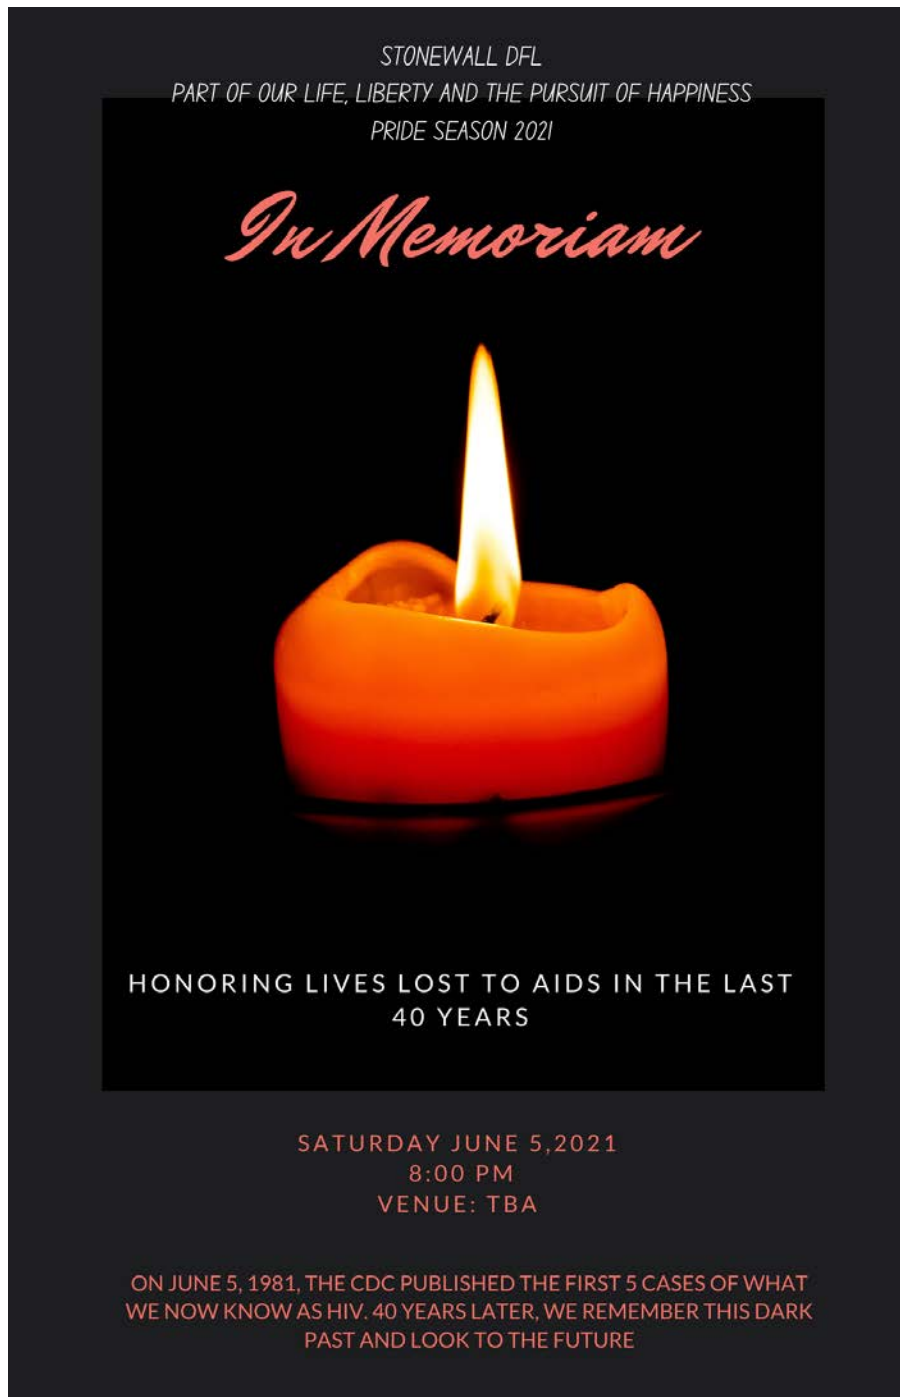

Dear Del,

It's Almost Pride Month!

Stonewall DFL is excited to have a jam packed month full of events!

"The soul of Pride, in my eyes, is rooted in the obstinate rejection of oppression within and toward the LGBTQIA+ community. While we know that the country's structural reality is different from the ideals touted and enshrined in our constitution, I believe that we can together choose those ideals, and use them as guiding principles to continue to resist. This year, as the lives and freedom of Black, Indigenous, Asian and other people of color continue to be treated as disposable through murder, detention and incarceration; as the rights of Transgender siblings are under attack in 33 states and counting; as conversion therapy continues to be a threat to young and vulnerable Minnesotans, it is indispensable that our highest ideals become our North Star. That is why I am proposing that the theme of Stonewall DFL's Pride Season 2021 be "Life, Liberty and the Pursuit of Happiness." - Alex Palacios, Chair of Stonewall DFL

On June 5th, 1981, the Centers for Disease Control put out a report of five cases of a then rare and perplexing disease that we would come to know as HIV/AIDS. This Saturday will be exactly 40 years ago.

The Board of Stonewall DFL mourns the loss of so many members of the LGBTQIA+ community to this epidemic from that moment on, and with them, entire histories of who we are as a community. Today, I ask your commitment to help us honor them as we gather for a candlelight vigil.

Stonewall DFL would like to extend our gratitude and respect for the work each organization has done in the last 40 years, and particularly through the genesis of the epidemic and through the COVID-19 pandemic. Thank you for your support and resilience. We look forward to sharing this moment with you.

We have set the stage for an even stronger 2022 when we will be working to support LGBTQ+ candidates and causes in the Gubernatorial, U.S. House, and various State House and Senate races.

Please support Stonewall's work to elect and support LGBTQ+ candidates and causes by [becoming a member today!](#) While a donation is not required for membership, as an all volunteer-led organization, we rely on our members to provide the needed funds for our endorsed candidates to run their campaigns and WIN! 2021 has been a challenging year, but there is cause for hope. We had many of our endorsed candidates win races, including several LGBTQ+ candidates. We

have set the stage for an even stronger 2022 when we will be working to support LGBTQ+ candidates and causes in the Gubernatorial, U.S. House, and various State House and Senate races.
