145. An individual who runs for lieutenant governor who has not previously sought or held statewide office and is running together with an individual who has run previously for governor does not qualify for the expenditure increase as set out in Minn. Stat. § 10A.25, subd. 2 (c). The 1994 expenditure limit of $1,725,920 may be increased by up to $86,296 for the amount spent by the Carlson/Benson Volunteer Committee on behalf of Joanne Benson’s endorsement for the office of lieutenant governor. Any expenditures made by the governor and lieutenant governor running together as a single team, under Minn. Stat. § 10A.25, subd. 1, toward the endorsement of the lieutenant governor candidate may be treated as expenditures under Minn. Stat. § 10A.25, subd. 3, in addition to the expenditures limit of Minn. Stat. § 10A.25, subd. 2 (a) (1).

FACTS

As treasurer of the Carlson/Benson Volunteer Committee, you request an advisory opinion from the Ethical Practices Board on three matters related to the lieutenant governor expenditure provisions of the Ethics in Government Act based on your statement of the following facts:

1. State Senator Joanne Benson has replaced Joanell Dyrstad as the candidate for lieutenant governor on the Carlson/Benson ticket.

2. Senator Benson is a candidate for statewide office for the first time.

3. A candidate for governor and a candidate for lieutenant governor, running together, shall be deemed a single candidate.

4. Minn. Stat. § 10A.25, subd. 2, provides that expenditure limits are increased by ten percent for first-time candidates.

5. Five percent of the spending limit is available for expenditures made on behalf of
Joanne Benson as she seeks endorsement as a candidate for lieutenant governor (Minn. Stat. § 10A.25, subd. 3).

6. Many of the activities of candidates for governor and lieutenant governor are done on a combined basis as is recognized by law and in those instances of joint activities, the committee proposes to allocate joint expenditures to the two candidates fifty-fifty unless there is a more specific determination that can be made of such expenditures.

7. The matters as described above require immediate attention as the state party endorsing convention is scheduled for mid June.

You ask the Board to respond to the following questions:

QUESTION ONE

Is the expenditure limit of the Carlson/Benson Volunteer Committee increased under Minn. Stat. § 10A.25, subd. 2, because Senator Joanne Benson is a first-time candidate for statewide office?

OPINION

No. An individual who has run previously for governor is not a first-time candidate under Minn. Stat. § 10A.25, subd. 2 (c). A candidate for lieutenant governor who has not previously sought or held statewide office and is running together with an individual who has been a candidate for governor does not qualify for the expenditure increase as set out in Minn. Stat. §§ 10A.25, subd. 2 (c) (1993 Supplement). See also Minn. Stat. §§ 204.12, subd. 2 (b), and 204B.13, subd. 5 (a) (1992).

QUESTION TWO

Are the expenditures made by the Carlson/Benson Volunteer Committee on behalf of Joanne Benson’s candidacy for the lieutenant governor endorsement included in the $30,000 or five percent of the expenditure limit, whichever is greater, increased spending available to a lieutenant governor candidate who seeks endorsement at a political party convention as set out in Minn. Stat. § 10A.25, subd. 3?

OPINION

Yes, provided the expenditures are made to seek Joanne Benson’s endorsement for the office of lieutenant governor at the convention of a political party.

QUESTION THREE

May the Carlson/Benson Volunteer Committee allocate a portion of the committee’s joint
expenditures for activities of the two candidates as lieutenant governor endorsement expenditures under Minn. Stat. § 10A.25, subd. 3?

OPINION

Any expenditures made by the governor and lieutenant governor running together as a single team, under Minn. Stat. § 10A.25, subd. 1, toward the endorsement of the lieutenant governor candidate at the convention of a political party may be treated as expenditures under Minn. Stat. § 10A.25, subd. 3, in addition to the expenditures limits of Minn. Stat. § 10A.25, subd. 2 (a) (1).
