Re: Action 4 Liberty Campaign Finance Violations

Dear Jeff:

We represent the Minnesota DFL and submit this letter complaint on the Minnesota DFL's behalf pursuant to Minn. Stat. §§ 10A.022, subd. 3 and 211B.32, subd. 1. As set forth below, Action 4 Liberty has failed to register as a political committee pursuant to Minn. Stat. Chapter 10A and has violated the disclaimer requirements of the Minnesota Fair Campaign Practices Act. We request that the Board investigate the violations pursuant its authority under to Minn. Stat. § 10A.022, subd. 3 and assess appropriate penalties for these violations and any other violations discovered in the course of the Board's investigation.

## I. Background

Action 4 Liberty describes itself as an organization with the mission "to protect liberty for the next generation" by "recruit[ing] pro-liberty candidates for the legislature and equip[ing] them to win their elections."<sup>1</sup> Its actions are overtly political and plainly intended to influence the nomination or election of candidates. Action 4 Liberty's website includes a scorecard ranking Republican candidates based on their voting records and identifies the candidates "Supported" by Action 4 Liberty.<sup>2</sup> The website describes the organization's efforts to deploy a field team in the Hibbing area "to go door to door to tell every voter in Rep. Julie Sandstede's district about how she betrayed them and voted to protect Governor Walz' emergency powers."<sup>3</sup> It also explains that the organization is "holding vulnerable Democrats accountable" by "hiring a full time team of doorknockers and activists" and encourages voters to contact Rep. John Huot who "will face a tough election in 2022."<sup>4</sup> Action 4 Liberty is soliciting contributions to help pay for the heat at

the home it has rented to support its field efforts and has purchased “thousands of lit pieces for the week.”<sup>5</sup>

## II. Failure to Register as a Political Committee

Action 4 Liberty is a political committee. Its scorecard, website, and door knocking activities all are intended to “influence the nomination or election of one or more candidates.” Indeed, the website states that Action 4 Liberty “recruit[s] pro-liberty candidates for the legislature and equip[s] them to win their elections.”<sup>6</sup> And, given its efforts to recruit volunteers and hire door knockers and activists, it is self-evident that Action 4 Liberty is an association and not an individual acting independently.<sup>7</sup>

As a political committee, Action 4 Liberty is required to register with the Board and submit regular reports within 14 days after the committee has made a contribution, received a contribution, or made expenditures in excess of \$750.<sup>8</sup> Without access to the committee’s records, it is impossible to know the amount of contributions it has received or the expenditures it has made. However, its self-described activities, including the purchase of “thousands of lit pieces,” hiring of staff, and renting a house strongly suggest that the committee’s expenditures easily exceed \$750 in 2021.

It is unclear whether Action 4 Liberty has registered with the Board. An “Action 4 Liberty PAC” registered with the Board in February 2017 and has continued to file annual reports. The registration identifies the committee’s address as 6043 Hudson Road, Suite 140F, Woodbury, MN 55125, and includes a link to the Action 4 Liberty website. However, as discussed below, there is nothing on the Action 4 Liberty website to indicate whether its campaign activities are funded through the registered committee or some other source. And, although the registered committee and Action 4 Liberty each identify Jake Duesenberg as their Chair/President, they list different addresses for the organization (a Woodbury address for the registered committee and a Lake Elmo address on the Action 4 Liberty website). It is, in sum, impossible for the public to determine whether the Action 4 Liberty’s campaign activities are being funded through the publicly reported contributions to the registered-committee or some other undisclosed source.

The bottom line is that Action 4 Liberty must either disclose all of its campaign activities through the registered committee or register a new committee for purposes of disclosing these activities. To the extent Action 4 Liberty asserts that it intends to disclose all of its 2021 activities on the reports for the Action 4 Liberty PAC, this needs to be disclosed through the required disclaimers discussed below.

<sup>7</sup> See Minn. Stat. § 10A.01, subd. 6 (defining an association as “a group of two or more persons, who are not all members of an immediate family, acting in concert”).

<sup>8</sup> Minn. Stat. § 10A.14, subd. 1.

### III. Failure to Include Disclaimer on Campaign Material

The Minnesota Fair Campaign Practices Act provides that all campaign material must include a disclaimer identifying “the name and address of the person or committee causing the material to be prepared or disseminated in a disclaimer substantially in the form provided [in the Act].” Minn. Stat. § 211B.04, subd. 1. The Action 4 Liberty website, printed literature, and Facebook page all are campaign material and, therefore, must include the disclaimer.<sup>9</sup> There is no disclaimer on any of the Action 4 Liberty campaign materials.<sup>10</sup> This results in substantial confusion and makes it impossible for members of the public to determine who is funding the activities intended to influencing voting in Minnesota’s legislative races.

Additionally, to the extent the activities are “independent expenditures” they must include the additional disclaimer required by Minn. Stat. § 211B.04, subd. 2. And, if they are not “independent expenditures” and, instead, are “coordinated expenditures,” they must be reported as in-kind contributions to the candidate benefitted by the expenditure and are subject to the applicable contribution limits.

### IV. Conclusion

At a minimum and without question, Action 4 Liberty has failed to comply with the disclaimer requirement of the Minnesota Fair Campaign Practices Act. This failure deprives the public of its right to know who is making expenditures intended to influence the voting in Minnesota’s elections and makes it impossible to determine whether Action 4 Liberty has complied with the registration and reporting requirements under Chapter 10A. We respectfully request the Board to conduct an investigation of Action 4 Liberty and assess appropriate penalties for all of the violations identified in this letter or which may be discovered during the course of the Board’s investigation.

Please feel free to contact me with any questions. Thank you.

Very truly yours,

LOCKRIDGE GRINDAL NAUEN P.L.L.P.

## About

---

Our Mission at Action 4 Liberty is to protect liberty for the next generation. That's why it is important to us to STOP Governor Walz' shutdown powers, which are the largest assault on liberty and small business in modern history.

We have a long term vision of turning Minnesota into a Top 10 State for Business. To achieve that, we recruit pro-liberty candidates for the legislature and equip them to win their elections. Our objective is to lead a conservative offense at the Capitol to overpower the liberal agenda that seeks to grow government and reduce freedoms.

### President - Jake Duesenberg

Jake leads a team of patriots at Action 4 Liberty who work around the clock to advance liberty in Minnesota. His professional experience is in financial services, which led him to get back involved in politics in 2012 when major fiscal and monetary issues faced the country. Although economics is his

passion in politics, Jake is also an avid outdoorsman so gun issues are very important. The entire team at Action 4 Liberty are very strong supporters of the 2nd Amendment.

Jake served 12 years in the Army as an infantry officer. He served overseas with the Minnesota Red Bulls in the Balkans and the Middle East. He currently resides in Lake Elmo, Minnesota with his wife and children.

# About This SCORECARD

## Scorecard Key

Action 4 Liberty rates bills positively when they expand individual freedoms and reduce government control. We annotate legislators' votes that are in agreement with our position as "+". When a legislator votes in opposition, we mark the vote as "-". If the legislator was absent for the vote, we annotate it with "A" and that vote does not count towards their overall score. "N/A" was used with Rep Nathan Nelson for votes that occurred before his special election victory in March of 2019.

Scores above 90% would be considered an "A" grade. We expect all Republicans to be at this level which would represent a commitment to the conservative values they profess to have on the campaign trail. Scores below 60% are failing grades.

This printed scorecard only shows the performance of Republican legislators. DFL legislators generally do not profess the same belief in expanding individual freedoms and reducing government control as we do. Their scores can be somewhat misleading. A DFL legislator might vote for our position on a bill not based on the same principles, but because it does not grow government enough. For information on how DFL legislators vote on our scorecard, visit:

[www.mnscorecard.com](http://www.mnscorecard.com)

## Notes on the 2019 Session

For the second year in a row, no Republican State Senator has had a passing grade. 82% of the votes scored in the Minnesota Senate are the exact same bills that were scored in the Minnesota House - which had five legislators with a perfect score. In other words, if a Senator voted the same way on those nine bills as Rep Munson, he or she would have at least a B grade on the scorecard.

The scores clearly show that our strategy is working at the Capitol. Candidates that we support rank amongst the most conservative voting legislators in St Paul. In the races we lose, the Establishment-backed candidates fail on our scorecard.

At the beginning of the 2019 Legislative Session, four Republican House members left the old House Republican Caucus led by Minority Leader Kurt Daudt to form the New House Republican Caucus. Reps Drazkowski, Bahr & Munson were all 100% voters this year. Rep Miller scored an 82%.

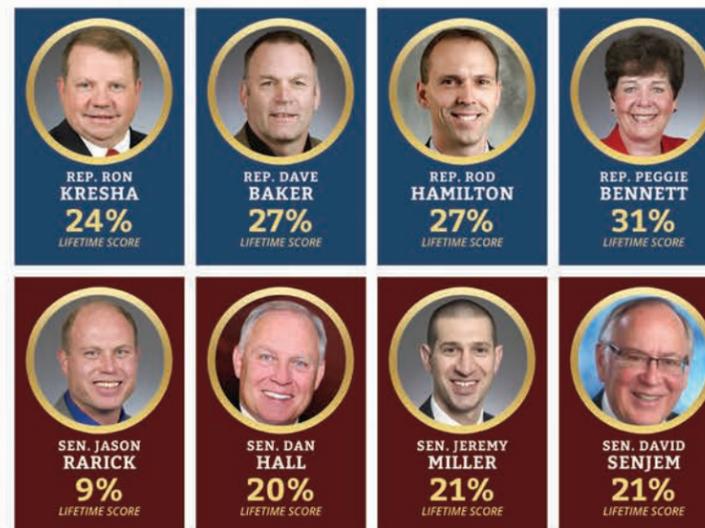

## 2019 FRESHMAN SCORES

## Phony "CONSERVATIVES"

*These legislators scored 45 points better once they were no longer in the majority party and their votes were not important to the passage of bills.*

## MOST LIBERAL REPUBLICAN VOTERS

*These legislators have consistently scored the lowest amongst Republicans.*

## Field Team Knocks Hundreds of Doors in First Two Days

Posted by Jake Duesenberg 107sc on February 10, 2021 · [Add your reaction](#)

We rented a home, hired additional operators, and deployed our field team up in the Hibbing area to go door to door to tell every voter in Rep Julie Sandstede's district about how she betrayed them and voted to protect Governor Walz' Emergency Powers. You see, when it was easy last year, **Con Artist Julie** voted the right way. But now when her vote matters and the election is over, she opted to protect Governor Walz instead of protect the liberties of her constituents.

As you probably already know, doorknocking hasn't been easy this week. Temperatures are dipping below -20 degrees. But with extra wood for the fireplace and a bundle of hand warmers, our team isn't missing a beat. They already knocked on hundreds of doors in the first two days, found new supporters of our cause, and most likely, educated people who voted for Julie last November. **She has a real problem on her hand if she keeps betraying them!**

EXHIBIT 3-1

Julie clearly does not support Democracy. Allowing one man to have the power to create unilateral orders that shut down businesses and quarantine us in our homes, is the anti-thesis of a democracy. Because she is protecting Walz, we are now faced with the prospects of a Mask Mandate Bill which is making its way through the Minnesota House.

**Action 4 Liberty refuses to let our Constitutional Republic fall because one man declares and endless emergency due to a virus. Our system of government was never designed to allow this to happen. And we will fight everyday to make sure we End Governor Walz' Emergency Powers. Support our field operations and let's take back our state!**

# Mask Mandate Bill Gets Hearing in Health Committee on Tuesday

Posted by Jake Duesenberg 107sc on February 08, 2021 · [Add your reaction](#)

**ALERT: The Health Finance & Policy Committee will be hearing the Mask Mandate Bill (HF604) on Tuesday at 3:00 PM.**

As you may recall, last week a group of legislators **introduced a bill in the Minnesota House** that would make Governor Walz' mask mandate into permanent law. It would require you and me to wear a face covering anytime we are in a public building or business and it would fine us for noncompliance. Business owners who don't comply - well, they face up to 90 days of jail time.

This bill just mirrors what Governor Walz decreed already last summer. But unlike his illegal, unconstitutional and unilateral dictate, this would codify things into law.

It's becoming more clear by the day what these politicians really want - more power over us.

## What Can You Do?

**Rep John Huot will face a tough election in 2022 and is the Vice Chair of the Committee tomorrow. Tell him to STOP the Mask Mandate Bill, HF604. Governor Walz and the Legislature have no business forcing Minnesotans to cover their faces!**

**Rep John Huot**

**Email: [rep.john.huot@house.mn](mailto:rep.john.huot@house.mn)**

## **We Are Holding Vulnerable Democrats Accountable**

Action 4 Liberty just deployed a team up north into Reps Julie Sandstede and Dave Lislegard's districts. We hired a full time team of doorknockers and activists who will talk to every voter and find every supporter who shares our view to STOP the Mask Mandate Bill and End Walz' Emergency Powers for good.

Our team will stand on street corners holding signs. They'll organize protests and build a larger activist footprint in their districts. And they'll meet with business owners impacted by Walz' orders and engage them in this fight.

Temperatures in Hibbing this morning were -29, but that isn't stopping our team from getting out and talking with voters. They're just wearing an extra couple layers of clothing.

We will continue taking our message directly to voters in these vulnerable Democrats' districts. They either get on board, **kill the Mask Mandate Bill** and End Walz' Emergency Powers, or we'll make sure they don't get re-elected in

2022!

If you're looking for other ways to help, consider contributing to our firewood fund. I never imagined I'd be asking people to pay for wood, but we need to keep our rental home well heated for our team. And the temps are dangerously cold this week.

Help heat the home for a week with a **donation of \$100. If that's too steep, \$50 heats the home for 3-4 days. Want to help even more, consider a one time donation of \$1,000 to help deploy another guy on the ground with lit pieces for a week!**

## Our Field Team Deploys to Hibbing in Extreme Cold

Posted by Jake Duesenberg 107sc on February 07, 2021 · [Add your reaction](#)

Six Democrat legislators betrayed their voters recently by voting to protect Governor Walz' Emergency Powers. They all voted the opposite way during the election year, but turns out they put partisan politics ahead of their voters when the vote really mattered. The most vulnerable of the six, Rep Julie Sandstede, barely won her election last November by 30 votes. So Action 4 Liberty is taking our message directly to her voters.

We rented a home and hired a team of operators to go knock on every door in Sandstede's district. Unfortunately, global warming hasn't quite kicked in yet, and our team will be deploying today, facing temperatures this week of -20. And like all good Minnesotans know, what really matters is the windchill, which will bring temps down to -40 or worse.

But that won't stop our team. In fact, they look forward to the challenge. They're on the way up north right now with extra clothing and a month supply of hand warmers. Ending Walz' Emergency Powers is too important of an issue
