**Nature of complaint**

Explain in detail why you believe the respondent has violated the campaign finance and public disclosure laws. Attach an extra sheet of paper if necessary. Attach any documents, materials, minutes, resolutions, or other evidence to support your allegations.

See Attached

Minnesota Statutes section 10A.022, subdivision 3, describes the procedures required for investigating complaints. A full description of the complaint process is available on the Board's website.

Briefly, the Board will notify you when it has received your complaint. The Board must send a copy of the complaint to the respondent. Complaints and investigations are confidential. Board members and staff cannot talk about an investigation except as required to carry out the investigation or to take action in the matter. After the Board issues a decision, the record of the investigation is public.

The law requires a complaint to go through two stages before the Board can begin an investigation: a prima facie determination and a probable cause decision. If the complaint does not pass one of the stages, it must be dismissed.

The Board has 10 business days after receiving your complaint to determine whether the complaint is sufficient to allege a prima facie violation of the campaign finance laws. If the Board determines that the complaint does allege a prima facie violation, the Board has 45 days to decide whether probable cause exists to believe a violation that warrants a formal investigation has occurred. Both you and the respondent have the right to be heard on the issue of probable cause before the Board makes this decision. The Board will notify you if the complaint moves to the probable cause stage.

If the Board determines that probable cause does not exist, the Board will dismiss the complaint. If the Board determines that probable cause exists, the Board will start an investigation. The Board will send you monthly updates regarding the status of the investigation. At the end of the investigation, the Board will offer you and the respondent the opportunity to be heard before the Board makes a final decision.

In most cases, the Board will issue findings, conclusions, and an order as its decision. For a spending or contribution limits violation, the Board can enter into a conciliation agreement with the respondent instead of issuing findings, conclusions, and an order. The Board's final decision will be sent to you and posted on the Board's website.

TakeAction Political Fund and Take Action Minnesota have clearly, egregiously & repeatedly violated the law pursuant to section 211.B.15 subd. 17. This provision states:

***“Nonprofit corporation political activity. It is not a violation of this section for a nonprofit corporation to provide administrative assistance to one political committee or political fund that is associated with the nonprofit corporation and registered with the campaign finance and public disclosure board under section 10A.14. Such assistance must be limited to accounting, clerical or legal services, bank charges, utilities, office space, and supplies. The records of the political committee or political fund may be kept on the premises of the nonprofit corporation.***

***The administrative assistance provided by the nonprofit corporation to the political committee or political fund is limited annually to the lesser of \$5,000 or 7-1/2 percent of the expenditures of the political committee or political fund.”***

TakeAction Political fund listed the vast majority of their contributions as “InKind Donations from “Take Action Minnesota”. Below is an image from the Take Action website indicating that they are a non-profit. Take Action Political Fund’s reports including but not limited to the 2022 Pre-General Report list the same “705 Raymond Ave #100 Saint Paul, MN” address as the location of both the non-profit and the political fund. That address is also noted on the bottom left corner of the below image.

The screenshot shows the top navigation bar of the Take Action Minnesota website with links for ABOUT US, TAKE ACTION, PEOPLE'S CELEBRATION, NEWS, OUR BLOG, and a DONATE button. Below the navigation is a horizontal line, followed by the word "LEGAL" centered. The main content area contains four paragraphs of text regarding the organization's status as a 501(c)(4) nonprofit, the status of the Education Fund as a 501(c)(3) nonprofit, and information about data collection and privacy. At the bottom, there is a footer with the Take Action MN logo, three office addresses (St. Paul, Duluth, and St. Cloud), and social media icons for Twitter, Facebook, Instagram, and YouTube. The same name and address draw the clear fact it is a political committee “associated” with a nonprofit as stated in the statute. Take Action Political Fund and Take Action then go on to violate both portions included in the rest of the statute. The statute reads in part

*“ Such assistance must be limited to accounting, clerical or legal services, bank charges, utilities, office space, and supplies.”*

Take Action provided digital ads, mail, emails and other political expenditures for Take Action Political Fund. This is a clear and obvious violation of this portion of the statute.

The statute later reads

*“The administrative assistance provided by the nonprofit corporation to the political committee or political fund is limited annually to the lesser of \$5,000 or 7-1/2 percent of the expenditures of the political committee or political fund.”*

In the 2022 General Report alone, Take Action Political Fund accepts \$377,287.29 from Take Action Minnesota. This is well over the permissible amount and also accounts for 100% of expenditures, well over the acceptable amount. Attached is the 2022 Pre-General Report. This was done on a number of other reports.
