**Subject:**

**Request for Immediate Investigation – Coordinated Activity by All of Mpls, We Love Minneapolis, and Thrive Mpls**

**Possible Violations of Minn. Stat. §§ 10A.20; 10A.025; 10A.27; 10A.121; 10A.176; 211B.04; and 211B.15** by *All of Mpls (Fund ID 41291)*, *We Love Minneapolis (Fund ID 41379)*, and *Thrive Mpls (Fund ID 41389)*

---

**Summary**

I submit this complaint under **Minn. Stat. § 10A.022** alleging that *All of Mpls*, *We Love Minneapolis*, and *Thrive Mpls* engaged in coordinated and concealed campaign-finance activity in violation of Minnesota law.

Public filings, CFB determinations, and public statements show that *Thrive Mpls* was established as an offshoot of *We Love Minneapolis* and *All of Mpls*. The timing of registration, overlapping leadership, and consistent donor and vendor networks indicate that the same political operation continued under new names while *We Love Minneapolis* was under enforcement action.

If funds, staff, or strategy were transferred among these committees without disclosure — or if *Thrive Mpls* was formed to continue *We Love Minneapolis'* operations during a CFB complaint — those actions would **violate multiple provisions of Chapter 10A**.

Under Minnesota campaign-finance law, any transfer of funds, staff, or coordinated strategy between political committees must be fully disclosed through registration and periodic reporting under **Minn. Stat. § 10A.025** and **§ 10A.20**.

If a new committee continues the operations or uses the same assets, vendors, or leadership of a prior committee without reporting those connections, it effectively conceals the true source and control of political spending. Such nondisclosure prevents the public and regulators from tracing the origin of campaign funds and may constitute violations involving false or incomplete reporting, unregistered transfers, or circumvention of contribution limits.

The conduct described herein—including (1) the transfer of funds from *All of Mpls* to *Thrive Mpls* for the express purpose of supporting Mayor Jacob Frey and aligned City Council candidates; (2) the continuity of personnel and consultants across multiple political committees purporting to be independent; and (3) the concealment of true donor sources through inter-committee transfers—demonstrates a pattern of deliberate violations designed to circumvent the contribution, reporting, and coordination provisions of **Minn. Stat. §§ 10A.025, 10A.20, 10A.27, and 10A.121**.

These actions cannot be viewed as isolated or inadvertent filing errors. Rather, they demonstrate a continuing effort by the same political operatives to “reset the clock”

on disclosure obligations through successive re-registrations, thereby concealing coordinated expenditures and donor identities from the public during an active election cycle.

If proven, these actions would represent knowing and willful violations of Minnesota's campaign-finance and false-reporting statutes, including possible violations of **Minn. Stat. § 10A.025, subd. 2** (knowingly filing false or incomplete statements) and **§ 211B.04** (false or misleading disclaimers), both of which carry potential gross-misdemeanor penalties.

Given the proximity to the municipal election, the pattern of serial committee formation, and the timing of expenditures that appear designed to evade disclosure, I respectfully request that the Board exercise its authority under **Minn. Stat. § 10A.34** to refer this matter to the **Minnesota Attorney General and/or the Hennepin County Attorney** for investigation and potential criminal enforcement.

## Background

### 1. Formation and Structure of All of Mpls (2021–2024)

*All of Mpls* was founded in **2021** by **Richard Forschler**, a former lobbyist representing corporate and capital interests including the **Minneapolis Downtown Council** (which later donated **\$35,000** to *We Love Mpls* in May 2025), the **Chamber of Commerce**, **Target Corporation**, and **Mortenson Construction**. Forschler previously worked alongside **Mayor Jacob Frey** at **Faegre Biddle & Reath** around 2017.

### 2. Campaign Management and Vendor Overlap

The campaign manager for *All of Mpls* was **Leili Fatehi**, a communications staffer for **Mayor Jacob Frey's 2017 campaign**. Fatehi's husband, **Peter Ebnet**, served as **Director of Policy** to Mayor Frey (2022–2024) and **Senior**

**Strategic Policy Advisor** before that.

Fatehi's firm, **Apparatus LLC**, shared an office address with *All of Mpls* and was paid for consulting and public-relations services throughout **2023**.

This relationship is confirmed in the **All of Mpls Campaign Finance Report (Fund ID 41291), 2023 Report of Receipts and Expenditures, Schedule B1 – Expenditures**, listing **Apparatus LLC** as a vendor paid for “consulting/public-relations services” (filed **January 31, 2024**). *Apparatus* also continued to manage *All of Mpls*'s social-media accounts through **October 2024**, as shown in Facebook Page Transparency records.

Apparatus and its principals (**Fatehi** and **Radinovich**) served dual roles, working both for **Jabob Frey**'s campaign team and for an allegedly independent committee spending to support him.

### 3. Transition to We Love Mpls (2025)

**Joe Radinovich**, a longtime Frey campaign operative, Frey's former campaign manager, and former Principal at **Apparatus**, served as campaign strategist for *We Love Mpls* (registered **March 12 2025**, Fund ID 41379).

Shortly after filing, *We Love Mpls* accepted large association contributions — **\$50,000 from the Minnesota Multi Housing Association** and **\$35,000 from the Minneapolis Downtown Council** — triggering underlying-source disclosure requirements under **§ 10A.27 subds. 15–16**.

Those source disclosures were not filed on time, resulting in a formal complaint and a CFB investigation.

### 4. CFB Findings and Enforcement Actions (June–July 2025)

- **June 24 2025**: The CFB issued a *prima facie determination* (believed to be **Board Action No. 1719**) regarding possible coordinated or

“approved” expenditures by *We Love Minneapolis*.

- **July 17 2025:** The CFB issued **Prima Facie Determination No. 1728**, confirming that *We Love Minneapolis* **failed to file required underlying-source disclosures** for large association contributions. ([CFB PDF link](#)).

## 5. Formation of Thrive Mpls (July 2025)

- **July 13 2025:** *We Love Minneapolis* removed its website.
- **July 14 2025: Thrive Mpls** (Fund ID 41389) registered as a new independent-expenditure committee.
- **July 17 2025:** On the same day as the Prima Facie Determination was issued by the CFB to *We Love Minneapolis*, The *Star Tribune* reported that **Joe Radinovich**, who directed *We Love Minneapolis* and previously managed **Mayor Jacob Frey’s 2021 campaign**, was now directing *Thrive Mpls*.

## 6. Continuity of Donors and Messaging

CFB records for *Thrive Mpls* (41389) show the same donor sectors of real-estate and business associations, the same compliance consultant, and similar “public safety” messaging as *We Love Minneapolis*.

In its own presentation materials, *Thrive Mpls* described itself as an **“offshoot”** of *We Love Minneapolis* and *All of Mpls*, confirming intentional continuity.

## 7. Direct Financial and Operational Links

**Thrive Mpls Pre-General Filing ( September 23, 2025):** The Thrive Mpls

(Fund 41389) reports \$105,000 in contributions entirely from *All of Mpls* (Fund 41291) on **7/15, 8/12, and 9/11/2025**.

It reports \$46,500 in independent expenditures for **Jacob Frey for Mayor** (\$23,250) and for four city council candidates (\$5,812.50 each), and \$25,342 to **Joseph Radinovich**, who previously served as Jacob Frey's campaign manager, for "Campaign Management."

This indicates that a single political network (*All of Mpls, We Love Minneapolis, Thrive Mpls*) is actively funding staff, offices, field operations, and communications directly aligned with **Jacob Frey for Mayor**.

Based on these public records, the actions of *All of Mpls* (Fund ID 41291), *We Love Minneapolis* (Fund ID 41379), and *Thrive Mpls* (Fund ID 41389) appear to constitute coordinated, rather than independent, expenditures on behalf of **Jacob Frey for Mayor**.

Accordingly, under Minn. **Stat. §§ 10A.121 and 10A.176**, these expenditures must be treated as in-kind contributions to **Jacob Frey** and are therefore subject to the \$1,000 per-election-year contribution limit under **§ 10A.27, subd. 1(a)**.

Given that these committees accepted and transferred tens of thousands—and likely hundreds of thousands—of dollars from business and real-estate associations, these transactions far exceed statutory limits and constitute unlawful coordination and concealment of funding sources.

## **8. Pattern of Coordination, Concealment, and Possible Evasion of Contribution Limits**

The sequence of events —website removal, immediate re-registration, identical messaging, shared leadership, overlapping donors, and direct transfers between the committees—demonstrate operational continuity and concealment of financial ties.

These facts indicate that *All of Mpls*, *We Love Minneapolis*, and *Thrive Mpls* functioned as successive iterations of the same political organization, in violation of **Minn. Stat. §§ 10A.020, 10A.025, and 10A.176**.

---

## Relevant Statutes and Potential Violations

- **Minn. Stat. §§ 10A.121 and 10A.176** — Govern and define coordinated expenditures among independent-expenditure committees. Under these provisions, any expenditure made “in cooperation, consultation, or concert with, or at the request or suggestion of” a candidate or the candidate’s committee must be treated as an in-kind contribution and is therefore subject to the limits established under **§ 10A.27**. Based on the public record, the actions of *All of Mpls* (Fund ID 41291), *We Love Minneapolis* (Fund ID 41379), and *Thrive Mpls* (Fund ID 41389) appear to constitute coordinated, rather than independent, expenditures on behalf of Mayor Jacob Frey and aligned candidates.
- **Minn. Stat. § 10A.20** — Requires full and continuous disclosure of all contributions, transfers, and expenditures until proper termination. The apparent movement of money, staff, or vendors between *All of Mpls*, *We Love Minneapolis*, and *Thrive Mpls* without disclosure could constitute a violation of this section.
- **Minn. Stat. § 10A.025, subd. 2** — Prohibits false, misleading, or incomplete reports. Failure to disclose transfers of funds, shared operations, or overlapping expenditures among these committees would represent a violation of this provision.
- **Minn. Stat. § 211B.15, subd. 13** — Prohibits circumvention of campaign finance and disclosure requirements through the use of affiliated or successor entities. The sequential registration of *All of Mpls*, *We Love*

*Minneapolis*, and *Thrive Mpls*—with identical donors, consultants, and messaging—appears to be a coordinated effort to evade disclosure obligations in violation of this statute.

- **Minn. Stat. § 211B.04** — Requires clear and truthful disclaimers on campaign communications. Misleading or incomplete disclaimers on materials produced by *We Love Minneapolis* and *Thrive Mpls* may constitute additional violations under this provision.
- **Minn. Stat. § 10A.27 subds. 15–16** — Requires underlying-source disclosure statements for large association contributions. The failure of *We Love Minneapolis* to file those statements in a timely manner (as documented in the [CFB's Prima Facie Determination No. 1728](#), dated July 17, 2025) constitutes a confirmed violation of this statute.

Taken together, these provisions require transparency and continuity in committee operations. The pattern of sequential PACs, overlapping personnel, direct transfers, and delayed disclosure suggests a concerted strategy to maintain political influence while avoiding statutory reporting obligations, in violation of **Minn. Stat. §§ 10A.025, 10A.20, 10A.27, 10A.121, 211B.04, 211B.15** and **10A.176**.

## Requested Board Actions

### I respectfully request that the Board:

1. Obtain registration, bank, and vendor records for *All of Mpls* (41291), *We Love Minneapolis* (41379), and *Thrive Mpls* (41389) (2022–present).
2. Compare donor, vendor, and officer information to determine common control or unreported transfers.
3. Review *Thrive Mpls* presentation materials identifying it as an “offshoot.”

4. Verify whether underlying-source statements were properly filed for association contributions.
  5. Determine whether expenditures among these committees were coordinated under **§ 10A.121**.
  6. Require amended reports and impose penalties if violations are found.
- 

## **Requested Enforcement and Remedies**

Given the repeated overlap of donors, officers, and messaging among these committees, I further request that the Board:

- Conduct a full **compliance audit** of all three entities for the 2022–2025 cycle.
- **Reclassify** expenditures as coordinated under **Minn. Stat. § 10A.121** where applicable.
- **Impose civil penalties and disgorgement** of unreported or coordinated funds under **Minn. Stat. §§ 10A.025 and 10A.34**.
- **Refer the matter to the Attorney General or county attorney** if evidence shows intentional concealment or circumvention of reporting requirements.
- **Issue a public order naming responsible officers and consultants**, to ensure transparency in future filings and deter repeat violations.
- **Terminate or suspend** any committee found to be operating as a successor entity to a non-compliant PAC without proper registration or disclosure.

- **Require ongoing compliance monitoring** for any future committees involving the same officers or vendors for a period of not less than two years.
- 

## Public-Interest Statement

Minnesota's campaign-finance system depends on transparency to preserve public trust in elections. When major donors and political operatives move money between committees under new names, it conceals accountability and prevents voters from knowing who shapes their city's policies.

The overlapping activity among *All of Mpls*, *We Love Minneapolis*, and *Thrive Mpls* undermines the intent of **Chapter 10A** by allowing coordinated donor networks to influence elections while avoiding timely disclosure.

A full investigation by the Board is necessary to restore confidence in the reporting system, ensure compliance with state law, and make clear that political committees cannot evade transparency or accountability by rebranding under new entities.

**STATE OF MINNESOTA  
CAMPAIGN FINANCE AND PUBLIC DISCLOSURE BOARD**

**PRIMA FACIE  
DETERMINATION**

IN THE MATTER OF THE COMPLAINT OF LUKE MIELKE REGARDING THE WE LOVE MINNEAPOLIS PAC

On July 7, 2025, the Campaign Finance and Public Disclosure Board received a complaint submitted by Luke Mielke regarding the We Love Minneapolis PAC, Board registration number 41379. The We Love Minneapolis PAC is an independent expenditure political committee.<sup>1</sup>

The complaint alleges that the We Love Minneapolis PAC failed to file underlying source disclosure statements regarding certain contributions disclosed within its June 2025 report of receipts and expenditures, which was due and was filed on June 16, 2025. The complaint refers to a \$35,000 contribution received May 16, 2025, from the Minneapolis Downtown Council, and to contributions of \$22,585 and \$50,000, received April 14 and May 8, 2025, from the Minnesota Multi Housing Association. According to the We Love Minneapolis PAC's June 2025 report, each of those contributions were made by associations that are not registered with the Board.

**Determination**

Minnesota Statutes section 10A.27, subdivisions 13-16, provide that under certain circumstances, an association that is not registered with the Board must provide an underlying source disclosure statement to the recipient when making a contribution, and the recipient of the contribution must thereafter file that statement with the Board. The requirement to file a disclosure statement generally applies when the contribution exceeds \$200. Minn. Stat. § 10A.27, subd. 13. However, both the threshold at which a disclosure statement must be obtained, and the information that must be disclosed, are different if the recipient of the contribution is an independent expenditure or ballot question political committee or fund. Minn. Stat. § 10A.27, subds. 14-15. In that instance, a disclosure statement generally is required if the contributor is an unregistered association that has contributed more than \$5,000, in aggregate, to independent expenditure or ballot question political committees or funds, during the calendar year. Minn. Stat. § 10A.27, subd. 15 (b).

A disclosure statement pertaining to a contribution to an independent expenditure or ballot question political committee or fund must be provided to the recipient prior to the day the recipient's next campaign finance report is due, and the recipient must file the statement with the Board before the deadline for filing that report. Minn. Stat. § 10A.27, subds. 15-16. The contributions referenced in the complaint were received during the period from April 1 through May 31, 2025. Therefore, they were required to be disclosed for the first time within the June 2025 report of the We Love Minneapolis PAC, and any required underlying source disclosure

---

<sup>1</sup> [cfb.mn.gov/reports-and-data/viewers/campaign-finance/political-committee-fund/41379/](https://cfb.mn.gov/reports-and-data/viewers/campaign-finance/political-committee-fund/41379/)

statements regarding those contributions were due by the time that report was due, on June 16, 2025.

The complaint alleges, and Board records reflect, that the We Love Minneapolis PAC received contributions in excess of \$5,000 from the Minneapolis Downtown Council and the Minnesota Multi Housing Association in 2025, and failed to file underlying source disclosure statements regarding those contributions. Therefore, the complaint states a prima facie violation of Minnesota Statutes section 10A.27, subdivisions 15-16.

Pursuant to Minnesota Statutes section 10A.022, subdivision 3, this prima facie determination is made by a single Board member and not by any vote of the entire Board. This prima facie determination does not mean that the Board has commenced, or will commence an investigation or has made any determination of a violation by any of the individuals or entities named in the complaint.

Pursuant to Minnesota Statutes section 10A.022, subdivision 3, paragraph (d), the Board will make findings and conclusions as to whether probable cause exists to believe that a violation of Minnesota Statutes section 10A.27, subdivisions 15-16, has occurred and warrants a formal investigation. The complainant and the respondent named in this prima facie determination will be given an opportunity to be heard by the Board prior to any decision on probable cause.

Until the Board makes a public finding or enters into a conciliation agreement, this matter is subject to the confidentiality requirements of Minnesota Statutes section 10A.022, subdivision 5.

## Will the Minneapolis DFL endorse a democratic socialist for mayor? It could happen Saturday.

The city's DFL convention will pit democratic socialist state Sen. Omar Fateh against Mayor Jacob Frey.

The Minneapolis DFL could be on the verge of endorsing a democratic socialist for mayor.

On Saturday, more than 1,000 party activists will gather at Target Center to rally, argue and haggle over the party's symbolic but still important seal of approval for this fall's mayoral election.

According to insiders, the suspense is whether state Sen. Omar Fateh, a democratic socialist, will win the endorsement, or two-term Mayor Jacob Frey will succeed in blocking Fateh, resulting in the party issuing no endorsement.

Only one mayoral candidate has won the Minneapolis Democratic-Farmer-Labor Party endorsement since 1997: R.T. Rybak, who was endorsed in 2009. The endorsement carries no legal weight, but it's still coveted in the overwhelmingly Democratic city and can open party resources to the endorsed candidate.

## Delegate math

A candidate must win the support of 60% of delegates to be endorsed, and mayoral hopefuls have struggled to reach that threshold in Minneapolis. About 800 delegates will vote on endorsements for mayor, Park Board and the tax-setting Board of Estimate and Taxation.

The fact that what had been a two-day convention has been squeezed into one makes it less likely that anyone will be endorsed for mayor, due to time constraints: The delegates must adjourn by 10 p.m.

Minneapolis DFL Chair John Maraist said he expects several rounds of voting and “an endorsement is possible” for mayor.

“You never know how the delegates are gonna break,” he said.

There are about a [half dozen candidates](#) for mayor, but Fateh and Frey are the only two expected to have enough support to win the endorsement.

## Democratic socialists gain attention

Fateh has gotten more attention since Zohran Mamdani defeated former New York Gov. Andrew Cuomo in New York City's mayoral Democratic primary last month. [Some news outlets](#) have dubbed Fateh the “Mamdani of Minneapolis.”

There are some similarities: Both Fateh and Mamdani are in their 30s, Muslim, democratic socialists and state lawmakers advocating to make their cities more affordable.

New York City mayoral primary boosts hopes of Minneapolis democratic socialists

Democratic socialism – which espouses progressive and populist ideas further left than those held by traditional Democrats – has been ascendant in Minneapolis and other liberal cities for several years. The political ideology and now Mamdani and Fateh have become punching bags for the right.

Fateh led legislation to provide tuition-free college for some students and p  r wages to rideshare drivers. He is also advocating for rent stabilization and preventing evictions, a \$20 minimum wage by 2028, and a ban on the police interacting with Immigration and Customs Enforcement.

Similarly, Mamdani has vowed to stop ICE agents from deporting people, to freeze rents, and to raise New York City's minimum wage to \$30 by 2030.

Fateh also of late has been making more lighthearted social media videos (a cornerstone of Mamdani's campaign).

"There's a lot of mimicry going on," said former Frey campaign manager Joe Radinovich. "I don't think the New York election is having an impact ... but I do think affordability is the No. 1 issue ... specifically, housing affordability."

Radinovich helped run a new political action committee called We Love Minneapolis that focused on the endorsements, opposing democratic socialists and those aligned with them on the City Council. The goal was to try to flip control of the council back to more moderate Democrats aligned with Frey. Radinovich is now involved with a new political group called Thrive MPLS that will focus on engaging voters for the November election.

## What campaigns expect

Radinovich said if anyone can get endorsed, he gives Fateh the edge.

"An endorsement would be notable because Frey has won twice and Fateh is a DSA member," Radinovich said, referring to the Democratic Socialists of America.

Even if Fateh is endorsed, that doesn't mean he's the frontrunner, Radinovich said.

“The DFL delegates are not always representative of the electorate,” he said.

Fateh would not make any predictions, saying he and his team have a “solid plan for the convention.”

Frey’s campaign manager, Sam Schulenberg, said the Frey camp expects to have a strong showing on the first ballot, but with the mayor likely finishing second, just as he did in the previous two city conventions.

“The more people that vote, the better Mayor Frey does, which is why he has always done better with the electorate of over 100,000 voters than with the small group of 800 people who vote at the convention,” Schulenberg said.

If Frey gets 40% support on the first ballot, that would all but shut the door on a Fateh endorsement, because candidates need 60% to win.

Radinovich expects that on the first ballot, Frey will get between 35-40% and Fateh something close to that, followed by the Rev. DeWayne Davis and entrepreneur Jazz Hampton. The response of Davis and Hampton is key to the outcome: They could decide to fold and urge their supporters to vote for someone else.

If Fateh has a strong lead, Davis and Hampton will be pressured to throw their support behind him.

Mamdani and New York City Comptroller Brad Lander formed an alliance right before their primary, endorsing each other in an effort to defeat Cuomo. Some suspect a similar alliance between Davis, Hampton and Fateh - who were seen wearing each others’ campaign buttons at a forum one day after Mamdani’s big win.

Davis said they wore the buttons to emphasize their mutual desire for new leadership. He said he’s confident he has “a solid number of delegates that make us competitive” but also made it clear he wants to see a new mayor.

“I have found in the others – I think these are people who are prepared to be mayor and will bring a new burst of energy and a new focus,” Davis said. “That is our belief, that it is time for new leadership. And so whether you call that an alliance or whether you call that a coalition, that’s fine, but I think we’ve made very clear that it’s time to move in a different direction.”

Hampton said he plans to stay in the race “as long as possible.” His spokesperson clarified Thursday that he will fight for the endorsement as long as possible and is committed to staying in the race regardless of Saturday’s outcome.

One possible complication: The mayor’s wife is due to have a baby Monday, so if she goes into labor, he could miss Saturday’s event.

Early voting for the ranked-choice election begins Sept. 19 and Election Day is Nov. 4. The official candidate filing period hasn’t even started: It begins July 29 and runs through Aug. 12.

## Council endorsements done

In addition to choosing a mayor in November, Minneapolis will vote in 13 City Council members, deciding whether progressives stay in control or moderates aligned with Frey return to power.

Council endorsements have already been decided, and two progressive incumbent City Council members did not win the Minneapolis DFL endorsement, a red flag for the more progressive wing that took control of the body last year. Progressive Council Member Katie Cashman and Council Vice President Aisha Chughtai [failed to win](#) the endorsement.

DFL-endorsed candidates usually go on to win Minneapolis elections, but not always: [See Council Member Andrea Jenkins](#).

A third council member, Robin Wonsley, also wasn't endorsed by the DFL but didn't seek the party's support because she's a democratic socialist. Her supporters successfully blocked any endorsement.

## Park Board, BET

Eighteen people are running for the Park Board and one for the Board of Estimate and Taxation. Those candidates are vying for endorsements, too, which could make for a long day of speeches.

### NEW PAC IN MINNEAPOLIS: THRIVE MPLS (UPDATED AUGUST 2025)

July 25, 2025 | PAC Campaign Finance

Thrive Mpls is a new [PAC in Minneapolis](#) ahead of the November election after We Love Mpls ceased operating. Its chair is Martha Holton Dimick, who unsuccessfully ran against Mary Moriarty for Hennepin County Attorney in 2022. Its treasurer is Richard Kolodziejski, who is Director of Government Affairs for the North Central States Regional Council of Carpenters. Their PAC, the North Central States Carpenters PAC, donated \$25,000 to All of Mpls in 2025, and \$1,000 to Jacob Frey's re-election campaign in 2021 and 2025.

Joe Radinovich's involvement with Thrive Mpls was [confirmed in a Star Tribune article on July 17](#) ahead of the city convention. Radinovich was also [running We Love Mpls](#), and is the former campaign manager for Jacob Frey (2021). I'm told Thrive will not focus on city council candidates like We Love Mpls did, but instead the mayor's race and possibly park board.

We Love Mpls had shut down its website by July 13, and Thrive Mpls registered on July 14.

On July 24, it was reported on Bluesky that Thrive Mpls is texting delegates about the city convention that happened on 7/19 and asking if they had any "issues at the convention."

who is this?

Dylan I work for thrive mpls calling to ask if you ran into any issues at the convention

how did you get my phone number?

Delivered

I'm told by a source who wishes to remain anonymous that Thrive Mpls is "the PAC that Adam Duininck wants" and it will serve the interests of the Minneapolis Chamber of Commerce, the Minneapolis Downtown Council, BOMA Greater Minneapolis, MN Multi Family Housing Association and the Twin Cities Housing Alliance. Duininck is currently the president and CEO of the Minneapolis Downtown Council, and Thrive Mpls' treasurer Richard Kolodziejski has his old job at the Carpenters' now. Duininck is a resident of Little Canada, not Minneapolis.

The primary narrative for Thrive Mpls will allegedly be that if Omar Fateh is elected mayor, he will implement rent control, housing development investment will dry up, and union jobs will disappear. It is an anti rent control and pro development coalition group

I'm told this group could "easily spend over \$1 million" in the election with these parties involved.

If Thrive Mpls spends \$200 influencing Minneapolis elections, the next deadline for finance reporting is July 28 for donations through July 21, so any report will only contain donations made in the week between registering on the 14th and the window closing on the 21st.

#### UPDATED AUGUST 7, 2025 -

On August 4th, Joe Radinovich presented a slideshow on Thrive Mpls much like [the We Love Mpls slideshow](#) over Zoom, in call titled "The Future of Business in Minneapolis" that was hosted by John and Patricia Wall using a "malcolmyards.market" email address.

The slideshow lays out how closely Thrive Mpls will be working with All of Mpls. One slide explains All of Mpls as the main PAC supporting Mayor Frey and "pragmatic" candidates for city council, naming operatives Jacob Hill

and Chris Kluthe, while Thrive Mpls is an offshoot of All of Mpls focused on "grassroots, targeted voter engagement" and engaging volunteers. Thrive Mpls will identify "niche opportunities" like the U campus, which is in Ward 2.

Another slide marked "Confidential" appears to have been taken from an All of Mpls presentation, laying out their plan for 2025 and calling Thrive Mpls their affiliate created to run the field operations. The listed plan has 3 aspects:

- Research. All of Mpls have budgeted more than \$250k for opposition research, polling, and focus groups, building on polling and focus groups they did in 2024. The next round of polling should begin soon.
- Paid Media. They plan to spend \$1 million+ on mail, digital, and streaming advertising to turn on voters in all 13 wards, customizing the ads by each ward for an "authentic" appeal.
- Canvass. They have earmarked over \$500k for field operations which will be run by Thrive Mpls.

Instead of recruiting volunteers who live within these wards, Thrive Mpls want to try what they are calling "Adopt a Ward," where people who don't live there - or even necessarily in Minneapolis - can take on door knocking and volunteering in one chosen ward for the election season.

Several slides in this are identical to slides found in the We Love Mpls presentation, such as the chart labeled "Council Differences," and the content in the box on the slide labeled "The DSA (Hey, Hey, Go Away)."

The slideshow says that the entire city council are DFLers with the exception of one, Robin Wonsley, who is an independent socialist. Later on, the slideshow cites the reporting of Republican Michael Brodkorb on DSA.

Thrive Mpls incorrectly stated that Omar Fateh's sister-in-law Zaynab Mohamed was on the board of WE WIN Institute in their list of ethics issues. [As reported by Max Nesterak in the Reformer this year](#), Zaynab Mohamed was mistakenly listed as a board member in its tax filings, and the organization's executive director Titilayo Bediako apologized.

**3424 Portland Avenue  
Minneapolis, MN 55407**

February 17, 2025

Senator Zaynab Mohamed is not on the Board of Directors of the WE WIN Institute, Ince., and has never been on the board. When the Senator was invited to join the board, she declined on the grounds that it would be improper given her role as a prospective legislator who votes on the budget. The inclusion of her name on filings was an error on behalf of staff, and we have taken steps to amend our filings to reflect that she was not a board member. We apologize for any uncertainty this has caused in the public.

Sincerely,

Titilayo Bediako  
Executive Director  
WE WIN Institute

Letter from WE WIN Institute director Titilayo Bediako stating that Zaynab Mohamed was never on the board and apologizing for the confusion.

The call included Adam Duininck, former Ward 13 city councilmember and current developer Steve Minn and his wife Lucy Brown Minn, John and Patricia Wall, Karin Birkeland of All of Mpls, Chris Kluthe of All of Mpls, Dario Anselmo, Jim Graves, Evan Doran, and Mike Logan. There was an active chat feature. Steve Minn suggests that every time there is a “crime event,” All of Mpls should geotext in a 1 mile radius “about crime,” describing a mix of the Citizen app but with messaging to vote for Mayor Frey and moderate councilmembers.

## **MINNEAPOLIS POLITICS 101**

The next city election is on November 4, 2025.

The ballot will include races for:

- Mayor
- Council
- Park Board
- Board of Estimate and Taxation (BET)

Winners will be elected to a four-year term.

Early voting will start on September 19, 2025.

## **THRIVE MPLS:**

Thrive MPLS is an independent expenditure committee focused on grassroots engagement for the 2025 Minneapolis municipal elections. We're chaired by former Hennepin County Judge Martha Holton Dimick. Our treasurer is Richard Kolodziejski from North Central States Carpenters.

We were formed in July 2025 and are partnered with All of MPLS, which was created during the 2021 municipal cycle to support pragmatic candidates for elected office and to oppose Question 2, the "defund the police" ballot initiative.

**Our goal is to reelect Mayor Frey and elect a council majority focused on moving our city forward.**

## **ALL OF MPLS AND THRIVE MPLS**

All of MPLS: Jacob Hill and Chris Kluthe

- All of MPLS (AOM) is the main PAC supporting Mayor Frey and pragmatic candidates for City Council. Their work includes candidate recruitment, research, and traditional campaign communications—mail, digital, and TV. AOM fundraises to support candidates by these means and to support Thrive MPLS.

Thrive MPLS: Joe Radinovich

- Thrive MPLS is an offshoot of AOM, focused on grassroots, targeted voter engagement. Campaigns will be focused on voters most likely to show up at the polls (and some expansion targets too). AOM will do the heavy lifting on advertisements city wide. Thrive will be focused on engaging volunteers, identifying niche opportunities (like the U Campus), and educating voters about what's at stake this year.

**STEP 2: WIN**

**THE PLAN**

## CONTESTED VOTES

Contested issues in the past few cycles have included:

- Defund the Police
- Rent Control
- Police Recruitment Incentives
- Police Contract
- City Budget
- Labor Standards Board
- Rebuilding the Third Precinct
- Encampments
- George Floyd Square
- Government Structure
- City Staff Appointments
- Gaza Resolution
- Resolution to Support University of Minnesota Protesters

## THE BATTLEGROUND

## PRIORITY COUNCIL RACES

The Council races most likely to determine the balance include:

- Ward 7
- Ward 5
- Ward 2
- Ward 10
- Ward 8

Here they are roughly listed in order of likeliness for a pragmatic candidate to win, but all are competitive.

Thrive Mpls list Elizabeth Shaffer as the most likely to win her race with Josh Bassais the least likely to win his, but say "all are competitive."

## FATEH'S ETHICS ISSUES

- Absentee Voter Fraud
  - Brother-in-law convicted of perjury.
  - Feds said that the perjury prevented further investigation into the 2020 primary election.
  - Lied to colleagues about the connection the man convicted of perjury.
- Somali TV
  - Failed to report advertisements received from Somali TV of Minnesota in 2020.
  - Authored a direct appropriation for 500k to the entity upon being elected.
- Free office rent
  - Failed to report prohibited donation of office space from an adult daycare during his 2020 campaign.
  - Facility later shut down by the state.
- WE WIN Institute
  - Authored a direct appropriation of \$15m to a non-profit where his sister-in-law was on the board. The non-profit's annual expenditures were roughly \$750,000 in 2023.

## WAYS TO SUPPORT AOM, THRIVE, AND OUR CANDIDATES:

- Contribute to All of Minneapolis/Thrive MPLS
- Help us identify where potential our new voters may exist, how we can get access to them, and how we can best educate them.
  - Apartment buildings
  - Civic, cultural, and business groups
- Recruit your network.

## COUNCIL DIFFERENCES

While nearly every member of the council is a DFLer, there have been voting blocs formed around ideological divisions between members. Using Robin Wonsley, the Council's Independent Socialist, as the measuring stick, we can start to see the differentiation between DFL members of the Council.

| How much each CM Voted with Robin Wonsley on 2024 contested votes |  |     |
|-------------------------------------------------------------------|--|-----|
| Aisha Chughtai (W10)                                              |  | 97% |

## MAYOR

Mayor Jacob Frey was elected in 2017 after serving one term on the City Council, representing Ward 3. He was re-elected to a four-year term in 2021. He has publicly announced that he's running for his third and final term.

## TCDSA: 2025 ENDORSEMENTS

Source: [TCDSA](#)

Instead of making a graphic of endorsed Minneapolis candidates for this slideshow, Thrive Mpls included TC DSA's graphic of their 2025 endorsements, which includes Cole Hanson who is running in St. Paul Ward 4.

## THE DSA (HEY, HEY, GO AWAY)

While Council positions are officially nonpartisan, the process allows for candidates to run with party designation. All but one incumbent CM run as DFLers. Robin Wonsley runs as an Independent Socialist. She, along with others Council Members and candidates carry the endorsement of the Democratic Socialists of America (DSA). The DSA is not officially a political party\*. In 2023, the DSA has also endorsed CM's Chavez, Chowdhury, Chughtai, and candidate Soren Stevenson.

The Twin Cities Chapter of the DSA has played an active role in the last couple of election cycles in the city. Three of its members — Robin Wonsley, Jason Chavez, and Aisha Chughtai — were elected to the Minneapolis City Council in 2021.

The [DSA's 2023 candidate questionnaire](#) included issues such as implementing rent control, building public housing, halting homeless encampment closures, a municipal Green New Deal (which includes building the East Phillips urban farm and closing the [Hennepin Energy Recovery Center](#) as well as making corporations “pay the bill for the impact of their pollution”), blocking new money for the Minneapolis Police Department, banning tear gas, and implementing municipal schooling and universal pre-K programs.

## MAYORAL RACE

Mayor Frey has three notable opponents, whose campaigns are working together to defeat him in a ranked-choice strategy.

OMAR FATEH

DEWAYNE DAVIS

JAZZ HAMPTON

Thrive Mpls points out Omar Fateh, DeWayne Davis, and Jazz Hampton are working together to defeat Jacob Frey.

## **COUNCIL CANDIDATES TO SUPPORT**

In those competitive races, All of MPLS has endorsed:

- Ward 2: [Shelley Madore](#)
- Ward 5: [Pearl Warren](#)
- Ward 7: [Elizabeth Shaffer](#)
- Ward 8: [Josh Bassais](#)
- Ward 10: [Lydia Millard](#)

While winning all five is possible, winning three would likely create a more pragmatic City Council. Winning 1-2 would likely prevent future veto overrides.

Thrive Mpls recommends the All of Mpls endorsements of Shelley Madore in Ward 2, Pearl Warren in Ward 5, Elizabeth Shaffer in Ward 7, Josh Bassais in Ward 8, and Lydia Millard in Ward 10.

## **MAYORAL RACE**

Sen. Omar Fateh, who represents south-central Minneapolis in the state legislature is considered the strongest opponent. He's the only other candidate with any union first-choice endorsements. He's also endorsed by the TCDSA and the Minneapolis DFL (for now, anyway).

Rev. Dr. DeWayne Davis, a local minister, finished third at the DFL convention with about 20% support.

Jazz Hampton, an attorney, finished fourth at the DFL convention with less than 5% support.

Thrive Mpls slideshow from 8/4 listing as Omar Fateh as DFL endorsed "for now, anyway." The challenges to the endorsement will be heard by the state party on 8/17.

## DFL VS. DSA

The DSA is not formally organized as a political party, which means that their candidates can and do leverage the DFL endorsement process and the resources bestowed to endorsed candidate, essential in a largely DFL electorate. Roughly 2% of registered voters participate in the DFL endorsement process, including Caucus and Convention. Over 93% of candidates who receive the endorsement for **Council** have won their races in the past ten years.

Formally endorsed DSA Council Members work with other far-left colleagues to constitute the current Council majority.

## COUNCIL: THEY'RE ALL DFLERS.

## MORE ON: THE DSA

The DSA is organized nationally and locally. Locally, their chapter is called Twin Cities DSA (TCDSA). Nationally, their most recent platform was passed in 2021. Michael Brodkorb, a local podcaster, recently broke down their most extreme positions.

1. Abolish the Senate and Electoral College
2. Abolish the Police and Prisons
3. Dismantle ICE and End All Deportations
4. Replace Capitalism, Private Property with Social Ownership
5. Nationalize Key Industries and Utilities
6. Establish a Unified Public Banking System
7. Universal Government-Provided Jobs
8. Cancel All Student and Medical Debt
9. Nationalize Fossil Fuel Companies
10. Support for Global BDS Movement Against Israel

## GETTING MORE VOTES

Minneapolis municipal turnout is highly variable, ranging from less than 80,000 citywide in 2023 to a recent high of 145,000 in 2021, when a mayoral race and three high-profile questions were on the ballot.

The key to winning in 2025 is to aggressively identify and turnout low-propensity, ideologically-aligned municipal voters.

This work will be undertaken by two main categories of campaigns: candidates and independent expenditure groups (PACs).

## DIRECT CANDIDATE SUPPORT

In addition to supporting PACs, those wishing to help can support candidates directly:

- Consider donating to Council campaigns, especially to the AOM-endorsed candidates running in Wards 2, 5, 7, 8, and 10.
- Adopt a Ward: Volunteer for our candidates—they need help hosting fundraisers, canvassing voters, and hosting meet and greets to educate the electorate.
- Expand their network by engaging your own on their behalf.
- Help disseminate campaign communications and signage where you can.
- Write letters to the editor or op-eds to local and citywide media.

## The Plan

### 2025

#### Research

All of Mpls will be operating on the best research in these races. More than \$250k is budgeted for opposition research, polling, and focus groups in 2025, in addition to the polling and focus groups we undertook in 2024. The next round of polling will begin in early August.

#### Paid Media

Fed-up voters need to know that there's an election and that they can make a difference. We plan to spend \$1m+ on mail, digital, and streaming, pushing surge pragmatic voters to the polls in all 13 wards. This advertising will be customized by ward giving an authentic, effective appeal.

#### Canvass

During the precinct caucus this spring, we saw how powerful a well-run canvassing program can be. These one-on-one connections swing races. We've earmarked over \$500,000 for field operations, as well as set up an affiliate, Thrive Mpls, to run the field operations.

All of Mpls branded slide that mentions Thrive Mpls as their affiliate for field operations.

## COUNCIL MAJORITY MAKERS

Minneapolis's 13-member Council requires a majority of 7. In order for a more pragmatic Council majority, we must add to the three returning members (Rainville, Vetaw, Palmisano) who are predicted to win.

Conventional wisdom holds that Jamison Whiting (Ward 11) will join these three members, requiring an additional three Council victories to achieve a majority.

Thrive Mpls are assuming - based on "conventional wisdom" - that Jamison Whiting will join the moderates on city council if he wins in Ward 11.

# OMAR FATEH'S POSITIONS

Oct 11, 2025

Fateh no longer advertises his support for “defunding and dismantling” the MPD, but his current website’s [“vision”](#) section has a grab-bag of budget-raising, unworkable, and extreme positions, many of which target the business community. Some include:

- **Build and maintain public housing** at the federally allowed maximum, **eliminate the renter's Defaced Yard Signs**, Explained
- **Enact a rent stabilization policy** to ensure that renters can call Minneapolis home for generations to come.
- **Prevent rental evictions** — the largest contributor to homelessness — by establishing a Just Cause eviction policy.
- "Minneapolis residents want a Mayor whose bold and transformative approaches to public safety will **end the cycle of the Minneapolis Police Department's (MPD) violence and brutality that has held our city captive for so many years** — I am that Mayor."
- "For too long, our city's wealthy corporations and big business owners have enriched themselves on the backs of hard-working employees who often aren't compensated fairly or treated humanely. I will champion any efforts to balance the uneven power dynamic between employers and employees."
- **Support the Labor Standards Board**, a popular initiative the City Council approved that was vetoed by the Mayor.
- Work with the City Council to **pass fair scheduling policies**
- Support efforts to **increase the Minneapolis minimum wage**.
- Explore **expanding public ownership of housing and commercial space**.
- Explore and implement a **commercial vacancy tax to address vacant storefronts**.
- Lobby the State of Minnesota to allow the City of Minneapolis to institute a **local option income tax** to ensure the wealthy pay their fair share.
- Explore creative solutions like a **commercial vacancy tax to address vacant storefronts and a land value tax to incentivize development of underutilized parcels**.

## **THRIVE MPLS:**

Thrive MPLS is an independent expenditure committee focused on grassroots engagement for the 2025 Minneapolis municipal elections. We're chaired by former Hennepin County Judge Martha Holton Dimick. Our treasurer is Richard Kolodziejski from North Central States Carpenters.

We were formed in July 2025 and are partnered with All of MPLS, which was created during the 2021 municipal cycle to support pragmatic candidates for elected office and to oppose Question 2, the "defund the police" ballot initiative.

**Our goal is to reelect Mayor Frey and elect a council majority focused on moving our city forward.**

## **ALL OF MPLS AND THRIVE MPLS**

All of MPLS: Jacob Hill and Chris Kluthe

- All of MPLS (AOM) is the main PAC supporting Mayor Frey and pragmatic candidates for City Council. Their work includes candidate recruitment, research, and traditional campaign communications—mail, digital, and TV. AOM fundraises to support candidates by these means and to support Thrive MPLS.

Thrive MPLS: Joe Radinovich

- Thrive MPLS is an offshoot of AOM, focused on grassroots, targeted voter engagement. Campaigns will be focused on voters most likely to show up at the polls (and some expansion targets too). AOM will do the heavy lifting on advertisements city wide. Thrive will be focused on engaging volunteers, identifying niche opportunities (like the U Campus), and educating voters about what's at stake this year.
