Minnesota Statutes section 10A.022 and Minnesota Rules Chapter 4525 describe the procedures required for investigating complaints. A full description of the complaint process is available on the Board's website. Briefly, the Board will notify you when it has received your complaint. The Board must send a copy of the complaint to the respondent. Complaints and investigations are confidential. Board members and staff cannot talk about an investigation except as required to carry out the investigation or to take action in the matter. After the Board issues a decision, the record of the investigation is public.

The law requires a complaint to go through two stages before the Board can begin an investigation: a prima facie determination and a probable cause decision. If the complaint does not pass one of the stages, it must be dismissed. The Board chair or their designee has 10 business days after receiving your complaint to determine whether the complaint alleges a prima facie violation. If the complaint alleges a prima facie violation, the Board has 60 days to decide whether probable cause exists to believe a violation that warrants a formal investigation has occurred. Both you and the respondent have the right to be heard on the issue of probable cause before the Board makes this decision. The Board will notify you if the complaint moves to the probable cause stage.

If the Board determines that probable cause does not exist, the Board will dismiss the complaint. If the Board determines that probable cause exists, the Board may start an investigation. In some cases the Board will issue findings, conclusions, and an order as its decision. In other cases the Board will instead enter into a conciliation agreement with the respondent. The Board's final decision will be posted on the Board's website.

RE: COMPLAINT REGARDING FAILURE TO DISCLOSE CONTRIBUTIONS UNDER MINNESOTA CAMPAIGN FINANCE LAW

Dear Mr. Sigurdson:

This complaint is submitted pursuant to Minnesota Statutes Chapter 10A, which governs the disclosure and regulation of campaign finance activity in the State of Minnesota. Specifically, this complaint alleges violations of Minnesota Statutes §§ 10A.20; 10A.27, subd. 13; 10A.01, subd. 11; and 10A.121, subd. 2, by Alliance for a Better Minnesota Action Fund ("Action Fund"), a registered political fund, in connection with its 2020 reporting obligations.

According to the Action Fund's 2020 Report of Receipts and Expenditures filed with the Campaign Finance and Public Disclosure Board, the fund reported receiving two types of contributions from its affiliated nonprofit corporation, Alliance for a Better Minnesota ("ABM"). As reflected in Exhibit A, the Action Fund disclosed a cash contribution of \$250,000 and in-kind contributions totaling \$102,890.34 from ABM. However, ABM's 2020 IRS Form 990, attached as Exhibit B, reports that it contributed a total of \$424,454 to the Action Fund during the same calendar year. The difference between these filings is \$71,563.66.

This discrepancy cannot be explained by rounding, clerical error, or timing variance. In all other years reviewed, the amounts reported by the two entities either match exactly or differ only within a negligible range. For 2020, however, the reported amounts diverge substantially, resulting in more than \$71,000 in contributions reported to the IRS but not disclosed to the Campaign Finance and Public Disclosure Board. This failure to disclose violates Minnesota campaign finance reporting law and deprives the public and regulators of an accurate accounting of the funds received and expended in Minnesota elections.

Under Minnesota Statutes § 10A.20, political funds are required to report all contributions received, including the source and amount of each contribution. The unexplained discrepancy between ABM's IRS filing and the Action Fund's Board report suggests that the Action Fund failed to report contributions as required. Additionally, Minnesota Statutes § 10A.27, subd. 13 mandates that contributions from associations be disclosed with sufficient detail to identify both the source and the amount. The discrepancy raises concerns that the Action Fund did not properly disclose the full extent of contributions received from ABM, an affiliated nonprofit association.

Minnesota Statutes § 10A.01, subd. 11 defines "contribution" to include both cash and in-kind support. If the missing \$71,563.66 reflects in-kind services, coordinated expenditures, or other forms of support, failure to report them violates the statutory definition and undermines transparency. Finally, Minnesota Statutes § 10A.121 subd. 2 authorizes the Board to investigate violations and impose civil penalties. The unexplained discrepancy between federal and state filings warrants Board review to determine whether reporting obligations were violated and whether penalties are appropriate.

For these reasons, the complainant, Isaac Blum, respectfully request that the Campaign Finance and Public Disclosure Board investigate whether Alliance for a Better Minnesota Action Fund failed to disclose contributions as required under Minnesota Statutes §§ 10A.20; 10A.27, subd. 13; and 10A.01, subd. 11. I further request that the Board determine whether the discrepancy reflects unreported in-kind support or mischaracterized contributions, assess whether the conduct warrants civil penalties under

Minnesota Statutes § 10A.121, subd. 2 and take any additional enforcement action necessary to ensure compliance and protect the integrity of Minnesota's campaign finance system.

Respectfully submitted,

R. Reid LeBeau II
