Give the statutory cite to the section of Chapter 10A, Chapter 211B, 10A.14, 15 subd. 1, 3,11, and 20 or Minnesota Rules you believe has been violated:

You will find links to the complete text of Chapter 10A, Chapter 211B, and Minnesota Rules chapters 4501 - 4525 on the Board's website at cfb.mn.gov.

Nature of complaint

Explain in detail why you believe the respondent has violated the campaign finance and public disclosure laws. Attach extra sheet(s) of paper if necessary. Attach any documents, photographs, or other evidence needed to support your allegations. Electronic files may be provided to the Board by email or via a file transfer service.

The Respondent maintains a Facebook account used for campaign-related communications. On that Facebook account, the Respondent solicits monetary contributions for the campaign. Rather than directing contributors to the registered campaign committee or its official depository, the Respondent requests that contributions be sent via cash transfer application (Cash App). The cash-transfer account identified in the solicitation is held in the Respondent's name, not in the name of the registered principal campaign committee. As a result, the public cannot determine:

1. Whether these funds were deposited into the campaign committee's depository;
2. Whether they were reported as contributions;
3. Whether they were expended, retained personally, or otherwise used.

Complainant respectfully requests that the Board reviews the situation here presented.

Minnesota Statutes section 10A.022 and Minnesota Rules Chapter 4525 describe the procedures required for investigating complaints. A full description of the complaint process is available on the Board's website. Briefly, the Board will notify you when it has received your complaint. The Board must send a copy of the complaint to the respondent. Complaints and investigations are confidential. Board members and staff cannot talk about an investigation except as required to carry out the investigation or to take action in the matter. After the Board issues a decision, the record of the investigation is public.

The law requires a complaint to go through two stages before the Board can begin an investigation: a prima facie determination and a probable cause decision. If the complaint does not pass one of the stages, it must be dismissed. The Board chair or their designee has 10 business days after receiving your complaint to determine whether the complaint alleges a prima facie violation. If the complaint alleges a prima facie violation, the Board has 60 days to decide whether probable cause exists to believe a violation that warrants a formal investigation has occurred. Both you and the respondent have the right to be heard on the issue of probable cause before the Board makes this decision. The Board will notify you if the complaint moves to the probable cause stage.

If the Board determines that probable cause does not exist, the Board will dismiss the complaint. If the Board determines that probable cause exists, the Board may start an investigation. In some cases the Board will issue findings, conclusions, and an order as its decision. In other cases the Board will instead enter into a conciliation agreement with the respondent. The Board's final decision will be posted on the Board's website.

I am a proud husband, a small business owner, a lifelong progressive DFLer, someone who has worked at the State Capitol on behalf of this district for over a decade, and a Candidate for Senate District 65.

recognize this moment calls for a different type of Democrat - one with the character to lead honestly, the competence to govern effectively, and the courage to bring big bold ideas into reality.

For more than a decade, I've worked in the halls of the State Capitol on the toughest issues for the most progressive Democrats in the state: helping to pass bold policies on immigration, police accountability, gun violence prevention, and education.

As a lifelong DFLer, I've organized across the state to deliver democratic majorities in the MN House, MN Senate, and U.S. Congress.

If your looking for a different type of democrat, one with the character and competence to effectively fight for the future - and win, then **join me for caucus on February 3rd!**

Throughout my career, I have focused on turning progressive values into durable outcomes. I believe leadership means showing up consistently, telling the truth even when it is uncomfortable, and doing the work required to make systems fairer and more humane.

I am proud to be a Democrat. But this moment calls for a different type of Democrat. One with the character to lead honestly, the competence to govern effectively, and the courage to bring big bold ideas into reality.

This is the work I have done my entire career. And that is the work I will be ready to do on day one as your State Senator!

Sincerely,

Jamael Lundy
