EXECUTIVE SESSION
Immediately following regular session
Date:  June 30, 2021

To:  Board Members

From:  Jeff Sigurdson, Executive Director  Telephone:  651-539-1189

Subject:  Selection of Board chair and vice chair

Due to failure of the legislature to confirm Members Swanson and Rashid before the 45th legislative day after their appointment, the Board currently does not have a chair or vice chair. Before acting on matters on the regular or executive agenda the Board should refill these positions. The Board has the option to either reappoint members Swanson and Rashid to their former positions, or appoint other members to the positions of chair and vice chair. I would suggest that the appointments expire on January 1, 2022.

A member will need to make a motion to appoint members to the positions of chair and vice chair. The motion should specify the duration of the appointment.
The meeting was called to order by Chair Swanson.

Members present: Flynn, Leppik, Rashid, Rosen (arrived during review of proposed federal legislation), Soule, Swanson

Others present: Sigurdson, Engelhardt, Olson, Pope, staff; Hartshorn, counsel

MINUTES (March 3, 2021)

After discussion, the following motion was made:

Member Leppik’s motion: To approve the March 3, 2021, minutes as drafted.

Vote on motion: A roll call vote was taken. All members voted in the affirmative (Soule abstained).

CHAIR’S REPORT

A. Gary Haugen addressed the Board

Former member Gary Haugen briefly attended the meeting to express his appreciation and to say goodbye to Board staff and members. Mr. Haugen said that he had enjoyed his time on the Board and wished everyone the best. Mr. Haugen also welcomed new member George Soule.

B. Resolution recognizing the service of Gary Haugen

Members thanked Mr. Haugen for his service and wished him well in his future endeavors.

After discussion, the following motion was made:

Member Swanson’s motion: To adopt the following resolution:

RESOLVED, that the Campaign Finance and Public Disclosure Board recognizes Gary Haugen for his service from 2017 to 2021 as a member of the Board, and offers this resolution in appreciation for his investment of time and energy in support of the mission and objectives of the Minnesota Campaign Finance and Public Disclosure Board.
Vote on motion: A roll call vote was taken. All members voted in the affirmative.

C. Introduction of George Soule

Chair Swanson introduced new member George Soule. Member Soule gave a brief overview of his background and his past experience with elections and campaign finance. The other members then gave brief overviews of their backgrounds and welcomed Member Soule to the Board.

D. 2021 meeting schedule

The next Board meeting is scheduled for 10:00 a.m. on Wednesday, May 5, 2021.

EXECUTIVE DIRECTOR REPORT

Mr. Sigurdson presented members with a memorandum regarding this matter that is attached to and made a part of these minutes. Mr. Sigurdson and staff introduced themselves to Member Soule and welcomed him to the Board. Mr. Sigurdson then briefly reviewed the items in his memorandum. Mr. Sigurdson said that lobbyist principal reports were due on March 15th. Mr. Sigurdson stated that those reports showed that the total amount spent on lobbying in 2020 was the lowest total reported since 2012. Mr. Sigurdson said that this drop was due largely to a decrease in the amount spent to influence the Minnesota Public Utilities Commission (PUC). Mr. Sigurdson stated that several large projects being considered by the PUC, such as the Line 3 project, had ended and that the amount spent to lobby that entity therefore had decreased. Mr. Sigurdson said that the pandemic also may have had an effect on lobbyist principal spending.

Mr. Sigurdson then stated that Member Soule’s confirmation had been approved by the House State Government Finance and Elections Committee and now was on the House floor along with the other four members awaiting confirmation. Mr. Sigurdson told members that he continued to remind legislators that the confirmations needed to be approved by the 45th legislative day but that the legislature appeared to be focused on budget matters. Mr. Sigurdson said that he believed that legislators were aware of the confirmation deadline and that he was hopeful that it would be met.

Mr. Sigurdson next told members that House File 1952 was the House omnibus state government finance and elections bill. Mr. Sigurdson said that this bill contained the Board’s technical recommendations. Mr. Sigurdson described other provisions in the bill that could affect the Board, including a 2% increase in the Board’s budget for each fiscal year. Mr. Sigurdson said that the Board’s technical recommendations also were in Senate File 1831, the Senate omnibus state government finance and elections bill. The Senate bill, however, did not contain the Governor’s recommended increase in the Board’s budget. Mr. Sigurdson also told members that legislators seemed to be concerned about personal security issues and that both omnibus bills had language that would allow a candidate to use committee funds to pay for security-related expenses. Mr. Sigurdson said that he had some concerns about this language because it was very broadly written.
A. Annual Report of the Board for Fiscal Year 2020

Mr. Sigurdson presented members with a draft annual report that is attached to and made a part of these minutes. Mr. Sigurdson told members that the Board was statutorily required to report to the legislature about its activities during the past fiscal year. Mr. Sigurdson said that the proposed draft report described the Board’s activities in fiscal year 2020.

After discussion, the following motion was made:

Member Flynn’s motion: To approve the draft Annual Report for Fiscal Year 2020.

Vote on motion: A roll call vote was taken. All members voted in the affirmative (Soule abstained).

REVIEW OF PROPOSED FEDERAL LEGISLATION – FOR THE PEOPLE ACT OF 2021

Mr. Olson presented members with a memorandum regarding this legislation that is attached to and made a part of these minutes. Mr. Olson told members that the legislation had been passed by the House and contained many election-related provisions. Mr. Olson said that his memorandum and his remarks focused on the provisions related to the Federal Elections Commission (FEC), campaign finance, and public financing of elections. Mr. Olson said that the bill probably would not become law because it lacked bipartisan support. Mr. Olson then briefly discussed the provisions concerning the FEC and stated that these provisions were intended to remove the partisan gridlock that sometimes prevents the FEC from acting. Mr. Olson also briefly reviewed the provisions related to campaign finance and said that these provisions were intended primarily to increase disclosure of large donors for more communications. Finally, Mr. Olson briefly outlined the public financing provisions and the problems that they were intended to address.

ENFORCEMENT REPORT

A. Consent items

1. Withdrawal of registration of Chas Anderson (3337) and Melissa Lesch (1959) as lobbyists for Palo Alto Networks (7523)

Before Mr. Olson’s presentation, Member Rosen recused himself from consideration of this matter. Mr. Olson told members that Ms. Anderson and Ms. Lesch had registered as lobbyists on behalf of Palo Alto Networks in February 2019. Mr. Olson said that Palo Alto Networks had retained Park Street Public to make connections with potential purchasers of its products and later learned that Ms. Anderson and Ms. Lesch were not required to register as lobbyists on its behalf because selling goods or services to be paid for by public funds does not constitute lobbying under Chapter 10A. Mr. Olson stated that Board staff had withdrawn the lobbyist registrations of Ms. Anderson and Ms. Lesch on behalf of Palo Alto Networks. Mr. Olson said that the two individuals were the only lobbyists registered on behalf of Palo Alto Networks so the withdrawal eliminated the need to file two outstanding lobbyist principal reports.
After discussion, the following motion was made:

**Member Flynn’s motion:** To approve the item on the consent agenda.

**Vote on motion:** A roll call vote was taken. All members voted in the affirmative (Rosen abstained).

Re: Executive Director’s Report

Board Operations

Lobbying Program: The lobbyist disbursement report covering the period of January 1 through May 31, 2021, was due on June 15, 2021. Of the 2,154 lobbyist disbursement reports due, 2,109 (98%) were filed by the due date. As of the date of this memo five reports are still outstanding. Over 94% of the reports were filed electronically.

Centennial Office Building

The Centennial Office Building is scheduled to reopen to the public in July. The building will have a new security system that requires all members of the public to check-in at a security desk and then be issued a visitor badge that will allow elevator access only to the floor of the agency that the individual wishes to visit. A visitor badge will only be issued upon the approval of the agency, or the agency can send a staff member down to escort the individual to the office.

The security badge system may make it impractical to hold Board meetings in the Centennial Office Building. Staff will be examining other room options in the capitol complex.

Legislative Changes to Chapter 10A

Changes to Chapter 10A were adopted in HF1952/Chapter 31, which is the State Government conference committee report, and in the special session tax bill, HF 9.

The tax bill was amended on the floor of the House to add language to Minnesota Statutes, Chapter 3, that prohibits a legislator from working for a company that provides lobbying or government affairs services. Because this new provision is in Chapter 3 it only affects legislators and is outside the Board’s jurisdiction. However, the floor amendment also expanded the definition of lobbyist in Chapter 10A to include an individual who is compensated over $3,000 “from a business whose primary source of revenue is derived from facilitating government relations or government affairs services between two third parties;” This addition to the definition would appear to require support staff for lobbying firms and law offices that specialize in government
affairs to register as lobbyists even if the staff member does not communicate directly with public officials. This provision has an effective date of January 3, 2023, so there is time for the legislature to re-evaluate this provision.

HF1952/Chapter 31 included the following changes to Chapter 10A:

- All provisions in the Board’s technical and non-controversial recommendations to the legislature.

- Candidates, committee chairs, and treasurers may provide the Board with personal contact information – address, phone, and email - that will not be public data, and which can only be used by the Board to administer Chapter 10A. Committees still must provide public contact information for the committee and its officers at the time of registration.

- A new noncampaign disbursement for candidates that allows up to $3,000 of committee funds to be used during each 2-year election segment for security for the candidate’s home and for identity theft and credit rating protection for the candidate. This provision is retroactive to January 1, 2020.

- Starting January 1, 2022, Hennepin County will no longer register political committees and funds, and existing committees and funds registered there will need to register with the Board if they wish to remain active. This provision does not apply to candidate committees for local office in Hennepin County. Approximately 25 political committees and funds are currently registered in Hennepin County. If a committee, fund, or party unit registered with the Board contributes to a candidate for one of the Hennepin County offices listed below, or makes an independent expenditure for or against a candidate for those offices, the committee must file additional reports with the Board. This provision applies to candidates in Hennepin County for county level office, or municipal office in a city with a population greater than 75,000, and to candidates for the Minneapolis School Board. The reporting requirement also applies to expenditures for or against county-wide ballot questions and ballot questions held in cities with a population greater than 75,000. The municipal elections in Hennepin County covered by this provision all occur in odd-numbered years, so this provision will create some additional work for the Board. There will be no non-election years going forward, instead there will be state election years and Hennepin county election years.

Ratification of Budget for Fiscal Year 2022

At the start of each state fiscal year the Board ratifies the budget developed by staff using salary projections and other estimated costs provided by the Small Agency Resource Team (SmART). Attached is the proposed budget for fiscal year 2022.

The base budget for fiscal year 2022 is $1,145,000, which reflects a $22,000 increase (2%) from the base in fiscal year 2021. The base budget in fiscal year 2023 will be $1,167,000, which
is another $22,000 increase. The increase in the Board’s budget was recommended by the Governor for all small agencies in anticipation of negotiated increases to staff salary and the impact of inflation on operating costs.

The fixed costs of staff compensation and office rent account for $1,033,000, or 91% of the total budget. The attached budget breaks down the anticipated expenditures for fiscal year 2022 by general category, and estimated costs are rounded up. The budget is a working document, and some changes to the allocation of funds almost certainly will occur during the course of the year. I will report any major changes or shortfalls to the Board. Any funds left over at the end of fiscal year 2022 will carry forward to fiscal year 2023.

A motion and vote to ratify the budget is required.

To:    Board members

From:   Andrew Olson, Legal/Management Analyst

Subject: Enforcement report for consideration at the July 28, 2021 Board meeting

A. Discussion Items

1. Administrative termination of lobbyist Jenna Grove (3259)

The Clean Water Action Alliance of MN requested that the lobbyist registration of Ms. Grove be terminated effective July 24, 2020, as she is no longer employed by that principal. A voicemail was left for Ms. Grove using the phone number on file asking her to file a termination statement, but she has not done so. A reporting lobbyist for the same principal filed disbursement reports inclusive of Ms. Grove through the end of 2020, so there will be no outstanding reports if the termination is retroactive to 2020.

2. Administrative termination of the Norman County RPM (20231)

The Norman County RPM failed to file their 2020 pre-general and year-end reports. When a treasurer fails to respond to the Board’s letters and emails, a certified letter is sent to the chair of record for the party unit. In this case, the chair for Norman County was listed as Marijo Vik. Ms. Vik contacted Board staff and provided that she ceased to be an officer of the Norman County RPM about 5 years ago. Additionally, Ms. Vik provided that John Dullea, who was listed as the treasurer for the Norman County RPM, died on August 26, 2020. To Ms. Vik’s knowledge there were no other officers of the Norman County RPM, and with Mr. Dullea’s death the party unit may no longer exist. The last report submitted by Mr. Dullea shows an ending cash balance for the party unit of $963.09.

Board staff was also contacted by Elizabeth Koller, the daughter of Mr. Dullea. Ms. Koller explained that she closed all bank accounts in her father’s name, including the account for the Norman County RPM. Board staff contacted Ron Huettl, Jr., the Director of Compliance, Operations, for the Republican Party of Minnesota. Mr. Huettl determined that the Norman County RPM is not currently active, and therefore, the remaining funds from Norman County RPM could be forwarded to the Republican Party of Minnesota and the Norman County RPM should be administratively terminated as a political party unit. The Republican Party of Minnesota will record a contribution from the Norman County RPM on their 2021 year-end report of receipts and expenditures. The Republican Party of Minnesota has confirmed that they received a check from Ms. Koller.
Board staff is requesting that the Board administratively terminate the Norman County RPM as of August 26, 2020, which was the date of Mr. Dullea’s death. By using the August date for the date of the termination there will be no further reports of receipts and expenditures owed by the Norman County RPM.

3. Request to refer matter to the Attorney General’s Office – Jae Hyun Shim (Board of Behavioral Health and Therapy)

Jae Hyun Shim is a public official appointed to the Board of Behavioral Health and Therapy in 2016 and reappointed in May 2020. Their 2020 annual statement of economic interest due on January 25, 2021, has not been filed. The maximum late filing fee of $100 and the maximum civil penalty of $1,000 have accrued for the EIS. Multiple notices were sent to Jae Hyun Shim regarding the need to file the EIS. Staff is asking the Board to refer the matter to the Attorney General’s Office to seek an order compelling filing of the EIS and payment of the balance owed.

The committee reported a cash balance of $9,900 as of 12/31/2020. Staff's recommendation to waive the LFFs for the pre-primary and September reports is based on the fact that the committee had no financial activity prior to 9/20/2020 and therefore was not required to register with the Board until after the end of the period covered by the September report.</td>

There currently isn't a Norman County BPOU but I guess there are plans to reinstate it. For the meantime, send the funds to the Republican Party of Minnesota. Thank you.

Hi Ron,

Do you have any information on the Norman County problem? Ms. Kollar needs to wrap up the estate soon. If you don’t have a Norman County officer to receive the funds then we will advice Ms. Kollar to send the funds to the state central committee, and specifically to your attention. Assuming that there is not a Norman County RPM at the moment the funds would be reported as a transfer from the Norman County RPM to the state RPM.

Hi Ron,

We have an unusual situation revolving around the Norman County RPM. The party unit failed to file the 2020 pre-general and year-end campaign finance reports. When the treasurer for a committee does not respond to our letters and calls we send a certified letter to the chair of record for the party unit. In this case, the chair for Norman County was listed as Marijo Vik.

Ms. Vik contacted Board staff and provided that she had ceased to be an officer with Norman County RPM about 5 years ago. Additionally, Ms. Vik provided that John Dullea, who was listed as the treasurer for Norman County RPM, had died on August 26, 2020. To Ms. Vik’s knowledge there were no other officers for the Norman County RPM, and with Mr. Dullea’s death the party unit may no longer exist. The last report submitted by Mr. Dullea shows an ending cash balance for the party unit of $963.09

The Board has been in contact with Beth Kollar, who is the daughter of Mr. Dullea. Ms. Kollar explained that she closed all bank accounts in her father’s name, including the account for the Norman County RPM. She acknowledges that she has the money from the account, and is willing to send it to either the Board or to a representative of the Republican Party.

So, the question I need your help in determining is whether or not there is a Norman County RPM? If there are any officers or members left then it seems clear that the money should be returned to the local party unit. If there is a Norman County RPM we need to know who holds the positions of treasurer and chair. We will work with the new officers to amend the
registration for the party unit and submit the missing reports. Given the circumstances I believe that the Board will waive late fees, but we will need to document the steps taken by the party to resolve this situation.

Conversely, if you determine that the Norman County RPM no longer exists, then I believe the money can be turned over to the state Republican Party. All BPOU’s are elements of the state committee, so if the BPOU no longer exists the funds logically go to the state RPM. If that is the solution to this problem please let me know, we can work with you to close down the registration for Norman County, and show the money as a contribution to the state RPM.

Ms. Kollar is the trustee for Mr. Dullea’s will, and would like to resolve this issue as soon as possible as the estate will soon need to be closed. Please let me know what you determine is the correct approach.

Re: Annual statement of economic interest due January 25, 2021  
Board of Behavioral Health and Therapy

Jae Hyun Shim

You have failed to file with the Board your annual statement of economic interest. This filing is a statutory requirement of the position listed above. Because you served in the position listed above during all or part of 2020, you are required to review and certify your statement of economic interest even if nothing on it has changed since your last statement or you left the position during the year.

To date you have accrued the maximum $100 late filing fee and the maximum $1,000 civil penalty due to your failure to file the 2020 annual. If you do not file the annual statement by May 3, 2021, the Board will refer the matter to the Minnesota Attorney General at its June 2, 2021, meeting for legal action to obtain the statement and collect the amounts owed.

Please complete the enclosed form and return it, along with a check for $1,100 payable to the State of Minnesota, to the Board at the address listed below by May 3, 2021. Under Minnesota Statutes, all fees are deposited in the general fund of the state.

The Board may reduce or waive late filing fees upon written request for good cause. Any waiver request should explain in detail the reasons why the Board should waive or reduce the late filing fees. You may mail or email the request to the Board. The waiver request will be public information and will be reviewed by the Board at the next scheduled meeting after the request is received.

If you have any questions about filing your statement or the assessment of late filing fees, please contact me at 651-539-1183, 800-657-3889, or jodi.pope@state.mn.us.

Cast off - brace on.

This letter is to let you know why the St. Louis 06 DFL reports were late.

The morning of 9/11/2020 went to the grocery store. Didn't remember anything until 10/14/2020 in Miller Dwan in Duluth.

This is what I was told. I fell down the stairs at my apartment. Taken by ambulance to Hibbing Hospital. Sent to St, Mary's in Duluth by Life Line. Had brain surgery from what the doctor said I had a seizure. Broke my right arm, shattered my right wrist, jammed the fingers on both hands and a hole in my right leg the size of a dollar bill.

As of today doing somewhat better but leg still healing and wearing an arm brace.

Wouldn't wish this on anyone.

Thanks
Cathy Daniels,
Treasurer, S.D. 06 DFL
Hi Erika,

Thanks for being so helpful today. I'm Ellen Jirik with March of Dimes, clarifying what happened with the failure to file.

Attached are the 2 letters I received from the Campaign Finance Board. The first arrived March 23rd and is dated March 19th and is my lobbyist registration. The second is the notification of failure to file the report. I understand you had been trying to reach out to Angie Deegan, who has not been with March of Dimes since August 2020. I was able to speak with Erin Jones and can confirm that March of Dimes as an organization had no idea that Phil Griffin was still registered as a lobbyist for us, as he had been terminated in 2018 with a restructure of the organization. Therefore, no one knew we had to file on March 15th because the organization believed we had no registered lobbyist in MN until when I registered in 2021 and was informed my first report was due June 15th (referenced in the first letter).

I will be filling out the report for 2020 ASAP now that I have the username and information, but would very much appreciate it if the fees could be waived in this situation. Let me know any questions you have and what else you need from me.

Thank you for your time and patience.

Best,
Ellen Jirik

NOTICE OF FAILURE TO FILE ANNUAL REPORT OF LOBBYIST PRINCIPAL

Dear Erin Jones:

On March 15, 2021, you were required by law to file with the Campaign Finance and Public Disclosure Board (Board) an Annual Report of Lobbyist Principal. The annual principal report discloses the total expenditures made by your association in 2020 for lobbying in Minnesota. On February 15, 2021, a notice was sent to you as a reminder of the requirement to file the report.

As of the date of this letter, we have not received the report. A daily late fee of $25 per day began March 16, 2021.

In addition to the late fee, a Lobbyist Principal that fails to file the Annual Report of Lobbyist Principal within seven (7) days after this notice is sent, is subject to a civil penalty imposed by the Board of up to $1,000.

To avoid the imposition of further late fees, please file the report electronically at our website https://cbf.mn.gov/. On our homepage, click on Filer Resources, under Lobbying Filings, Principal’s Report, then blue link “Sign in to the online principal reporting system.” Enter your provided username and password. (If typing in the link, https://principal.cbf.mn.gov/reporting/login you must type the complete address)

To access the electronic filing system, you must use the following specific user name and password. Please note: the password is case sensitive. Use only UPPER-case letters.

User Name: 5432
Password: [REDACTED]

If you prefer, you may submit a paper report. You may print off a copy of the report at https://cbf.mn.gov/pdf/forms/lobbyist/prin_rpt.pdf or a report may be obtained by calling the Board office. If you have any questions about this notice or need assistance, please call Erika Ross, Programs Administrator at 651-539-1187 or 800-657-3889.

Hello Ms. Ross,

When I submitted the report, I’ve included an explanation on why we submitted it 1 day late due to technical problems of the User ID and PW provided on the email to us did not work. I thought the website was down and it didn’t let us in. So, I kept on trying everyday with the information provided since I did not think it would not work. Finally, it kept failing so I had to search online for the correct form to manually fill in the information and email/fax the report in.

However, we still got charged with $25 late fee. Would you please help us submit a fee waiver request for this matter? Now that I know we can send in report via email, I will start doing it from now on instead of trying to access the online report using the user ID and PW since that could delay our submission.

We appreciate your understanding very much!

Minnesota Campaign Finance Board:

The Minnesota State Cattlemen’s Association recently received a late filing fee of $25 for a Lobbyist Principal Report. We are writing to request this fee be waived. The Minnesota State Cattlemen’s Association recently underwent staffing changes. Myself and the new Executive Director are both very unfamiliar with this process and are still learning the rules and requirements. I was out on maternity leave when this Lobbyist Principal Report was due. I was reviewing my emails, however, an email was not listed in our account, so therefore we did not receive an email notification that this report was due. We did receive a mailed notice, however, I was not in the office to receive this mail. The Minnesota State Cattlemen’s Association was notified by a colleague regarding the deadline of the Lobbyist Principal Report and immediately filed the report as required.

The Minnesota State Cattlemen’s Association is now better informed as to this process and when the Lobbyist Principal Report is due in the future. We request this $25 late filing fee be waived for unusual circumstances and timely response. We thank you for your consideration.

Sincerely,

Katie Davis

Subject: Lobbyist Principal Report - Reg No: 6721

Dear Megan Engelhardt,

I am asking that the Campaign Finance and Public Disclosure Board waive the late fee that was accrued against Meridian Behavioral Health due to the late filing of the Lobbyist Principal Report.

Due to the Covid-19 Shutdown Meridian Behavioral Health has had to reduce our staff at our Corporate office. Unfortunately, the reduction was in our Executive offices which handled all corporate filings. Meridian was not aware of the missed filings until we received the certified letter on March 30th which I immediately filed on March 31st.

Also, during 2020 Meridian Behavioral Health did not engage in any lobbyist expenditures.

These are the reasons I am requesting the late fee be waived.

SUBJECT Change in Lobbyist Representation

The Campaign Finance and Public Disclosure Board (Board) records indicate that you are the contact person for Steamfitters-Pipefitters Local 455 Reg # 7515.

The Board received a lobbyist termination statement from all lobbyists representing your association. The last terminated lobbyist was: Robert Long, Designated.

A Lobbyist Principal must report to the Board in March of each year. The report is a number, actual or rounded to the nearest $20,000, representing the total dollar amount spent on lobbying in Minnesota in the previous year.

Since you have no lobbyist representation at this time, you may wish file the Annual Report of Lobbyist Principal as soon as possible, before the March 15, 2021 due date, so that it is not overlooked. I have included a copy of this report for your convenience.

If a lobbyist should register to represent your association between now and the March 15, 2021 due date, you may wait and file the report on or before March 15, 2021.

If you have questions, please contact me at 651-539-1187 or 800-657-3889.

Greetings, Erika:

My name is Peter Martin. I am an attorney and a registered lobbyist. A colleague of mine from the Minnesota School Boards Association (MSBA) recently provided me a copy of a letter from your office stating that my lobbyist report was delinquent and that late fees were accumulating. This was the first time I heard of the issue. I apologize for this oversight.

On January 20, 2021, I changed law firms and began working at Kennedy & Graven. Shortly after my arrival at the new firm, I attempted to change my contact information on your website, but apparently without success. The letter I recently was provided by MSBA had the contact information for my old law firm. If emails or written correspondence were sent to my old firm regarding the failure to file a lobbying report, those notices were never conveyed to me by my former employer.

I have been a registered lobbyist for more than 10 years. I have never been delinquent in submitting a report in the past. I respectfully request a waiver of the charges assessed against me.

Thank you for your assistance and consideration.

Subject: Melissa Lesch Lobbyist Disbursement Report Late Fee Waiver Request

Megan,

I am writing to request a waiver of the late fee related to my June 15, 2021 Lobbyist Disbursement Report. I previously represented Vault Medical Services as a contract lobbyist, and now represent the company as their in-house government relations staff. Due to this change, there was an old address on file and confusion as to the reporting party.

It is now clear that I am the designed reporter and the address has been updated. Once notified that the report was not complete, I immediately submitted. With the correct address and clear reporting responsibilities, I can assure the Board that all future filings will be timely.

Thank you,
Melissa Lesch

Ms. Englehardt,

I received your letter dated April 7, 2021 regarding late fees for my 2019 and 2020 Report of Receipts and Expenditures. I am asking for a waiver of those fees ($1000.00 for each year). I did log in to CFB Reports at the end of each reporting year and "thought" I had completed my reports. When I received a voice mail last week it was apparent I had done something wrong. I went back to my notes from 2018 regarding report generation and realized that I had neglected to initialize a new year each of those years so the report year I was working on was 2018 (those were filed timely). As you can see by my report I am not a current candidate and have not been since the 2014 election. I have not had any contributions or expenses since my candidacy. I have filed a no change report each subsequent year. Since I only don't work in CFB reporter other than my annual no change report I simply forgot the process and made a mistake. It is my intention to close my account in 2021.

I respectfully request a waiver of the fees and apologize for my error.

Please contact me should you have any questions.

I was not aware of that fee. However, I do recall that I had an issue with updating the software and it caused a delay. It would be great to have that fee waived as well.

Hello Ms. Gunderson,

Thank you for sending us a request to waive the late filing fees for the 2019 and 2020 year-end reports of the Committee to Elect Heidi Gunderson for House committee. Your request will be considered by the Board at its meeting scheduled for May 5, 2021. I will be in contact with you shortly thereafter to inform you of the Board’s decision.

I am not sure whether you are aware of this but there is also a late filing fee of $50 owed for the committee’s 2017 year-end report. That report was due January 31, 2018 and a no-change statement was filed two days late on February 2, 2018. Do you intend to pay that amount? If you would like to request that the $50 late filing fee be waived as well, please let me know, and if you recall why that statement was filed late, please provide a brief explanation.

Please feel free to contact me with any questions or concerns.

To Whom It May Concern,

Greetings! I am writing with regards to the notice dated April 7, 2021, regarding pre-election loan/contribution notification. The OutFront PAC received a donation of $2,500 from the State DFL party on October 27th, and due to some staffing changes and the fast-paced activity before the election, we discovered the contribution two weeks after the contribution date when closing our accounts. We immediately filed the requisite notification, and have since rectified the internal workflow, allowing us greater transparency and more flexible reaction time when large donations come in to our PAC. We do not believe this should be a problem going forward. We kindly ask the Minnesota Campaign Finance Board to waive the $700 penalty on the PAC.

Thank you for your consideration.

Yours Faithfully,

Hello Megan:

My name is Derek Klatt and I’m the Treasurer for Dori Trossen. I just received a letter stating we owe $1,000 in late fees for not filing the 24-hour notice. I have included a screen shot of Campaign Finance Reporter. When I bring up the 24 Hour Notice Reports, it has all the boxes checked under filed. I know I sent it in on both the checks from Isanti County RPM. I always double check because I didn’t want this to happen and get fined. Since I am new to this, it is also possible I didn’t do it right, but I filed the other ones correctly so I’m assuming I filed correctly.

So, if possible, I am asking if the fees could be waived or reduced in some way.

Thank you,

Derek Klatt
Hello Megan,

I am requesting a waiver of the late filing fee of $1,000 that was accrued because I did not file the 24-hour notice of the $2,500 contribution made by Joe Shneider on August 4, 2020.

Reasons:

- I forgot that I needed to do this as this is the first contribution over $1,000 in our PAC's history.
- I was accompanying a family member to an in-person doctor appointment during Covid on August 4-somewhat stressful.

Thank you for your consideration and understanding.

RE: 24-Notice; Take Action PAC 70026

Dear Megan,

We have received a notice from your agency alerting us to the fact that the Take Action PAC received a contribution and did not file a 24-hour notice in a timely manner. The contribution was for $2,000 from Way to Lead, received on October 30, 2020, but reported on with our year-end report on January 27, 2021.

In researching this discrepancy, I see that we did enter the information into the reporting software on October 30, 2020, but the filed box is not checked. We must have failed to then click Tools > File Transfer > Begin Transfer.

We request a waiver of late filing fee as this is our first offence of a late filing of a 24-hour report. We also did attempt to file the 24-hour report on time by entering it into the software, though failed on the follow through of uploading it. We understand the importance of campaign finance reporting for public transparency and have historically been very diligent about accurate and timely reports. We ask for forgiveness for this technical error.

Dear Minnesota Campaign Finance Board,

I am writing to apologize for the late submission of a $30,000 transfer/contribution from IBEW MINN STATE COUNCIL to the IBEW MINN STATE COUNCIL PAC FUND that took place on October 23, 2020. I honestly believe that due to the extra tasks and being in and out of the office due to COVID, I completely forgot about or overlooked the 24-hour notice reporting. It was my error and I am asking the Board to please consider waiving or reducing the late filing fee of $1,000.00. Megan,

Last week we spoke about our 2020 report and I appreciate your feedback and guidance. Per the letter to our organization, the Campaign Finance Board has asked us for a $1000 late filing fee.

I believe that what happened was we had a clerical miss of a 24-hour reporting period of a contribution into our PAC. This was an inadvertent mistake. I believe that like state and many businesses and organizations, we were working mostly from home during the pandemic and must have mistakenly not filed the 24 hour report.

I would ask that the late filing fee be waived or reduced in light of extenuating circumstances.

Please share this message with the board and advise me how to proceed.

Thank you,

Subject: $1000.00 fine Local 322 PAC

April 24, 2021

Megan Engelhardt
Assistant Executive Director
Minnesota Campaign Finance Board

Dear Megan

My name is Jim Leuthner I'm PAC Treasurer for Carpenters Local 322. I'm appealing the $1,000.00 dollar fine for not reporting a $1,373.75 contribution within 24 hours.

I've been the PAC Treasurer for my Local since 2008. My Local was 1644 before we were reorganized in 2011. I work in the field not at a desk. This is the first time I missed reporting a $1,000 in 13 years.

This is a very large fine for a very small fund. Our yearly budget is about $16,648. Our budget entirely comes from our supporting organization Local 322. Our budget varies little from year to year and month to month. Our monthly contributions only varied by $50.00 in 2020. My point is we do not receive large unexpected contributions. It is merely a matter of what day of the month the contribution was made. In this specific instance I was told no contribution would be made during the contribution reporting period. I only found out about the contribution at a later date.

Another contributing reason I missed this contribution is we have very good separation of duties at Local 322. I take the requests from candidates and organizations to the PAC and membership meetings. I forward the approved requests to the local staff secretary.

The local staff secretary writes the checks and reconciles the account.

The elected President, Treasurer, and Financial Secretary sign the checks. At least 2 of 3 people need to sign each check.

Thank you for considering my request for an appeal.

Re: 24-hour Notice
Reg. No. 30011

Dear Megan,

We are responding to your letter dated April 7, 2021 and are asking the Board to reduce/waive the $1,025 owed.

The Minneapolis Regional Labor Federation periodically disburses funds from a designated checking account into our Political Fund (30011) throughout the year. These funds are held at the same bank and are simple transfers from a practical perspective that we do periodically throughout the year.

We inadvertently made one of these transfers during the 24-hour reporting period leading up to the 2020 primary. We did not do any primary related expenditures in the 2020 campaign cycle.

This transfer was not reported in error and just happened to fall within that window. It is clear that the transfer made during that window was not with the intention to go around the spirit of the 24-hour reporting rules, but rather an error in timing and realizing our obligation to report it. Again, no primary related expenditures were made by our fund in the 2020 election cycle.

We do apologize for the error and will rectify our transfer process going forward to ensure this does not happen again.

Sincerely,

Dear Assistant Director Engelhardt,

RE: Letter dated March 24, 2021

Thirteen months ago I was elected to serve as Treasurer for our Senate District 60 GOP BPOU.

Today, on my fifth appointment, with assistance from Aundrea Prado - Business Banking Specialist at Wells Fargo I was finally added to the SD 60 GOP account. I can now officially access account information, deposit funds, write checks and do online banking on behalf of our organization.

I incurred a penalty on my first report in 2020 (during election week while @ Convention Center counting absentee votes) because I was unable to access account information or schedule a meeting with Wells Fargo because of COVID.

The 2020 report was finally filed based on the SD 60 account balance information on record, that was provided to me by CFB staff.

The Feb. 1, 2021 report was delayed because I didn’t get a bank account statement until after Jan. 31, 2021, a copy of which was included with that filing.

The 2020 $250 late filing fine was paid on 2/8/2021. There was also a small discrepancy between the 2020 report filed and the 1/31/21 balance. Both of these issues caused me confusion and I became very cautious about making any “mistake” by providing the CFB with erroneous or inaccurate information.

I take personal responsibility for the avoidance, lassitude and denial that resulted in the 2021 report being delayed. This wasn’t done to hide, obfuscate or mislead anyone regarding our activities (very minimal e.g. Zoom) or our assets. (extremely meager)

Thankfully, with assistance from your office (again!) I was able to complete and submit the Feb. 1, 2021 Report of Receipts and Expenditures after a delay of over thirty days. I’ll add that as a retiree, I have limited at-home access to technology (scanning, photo-copying, printing, downloads, etc.) which further exacerbated my “deny and delay” tactics.

Hopefully the CFB can take into consideration my explanation and excuses and reduce the fine levied to a lesser amount. I can provide copies of the bank documents executed earlier today that finally gave me legal status as Treasurer.

Sincerely,

Andrij Karkoc

To whom it may concern:

I would like to request a waiver for the late filing fees and civil penalty incurred from the late 2019 and 2020 reports.

Following election night, the committee and I went our separate ways and thought we had terminated the committee.

I moved to Idaho in 2019 to finish my BA and then moved to Utah in 2020 to complete my Masters.

I apologize for not having these reports done on time or terminating my committee properly. I lacked the information to know I needed to do both of these things.

If I ever run again, I will ensure my reports are done on time and that the committee is created and terminated properly.

Dear MN Campaign Finance Board,

This email is formally requesting waiver of the penalties and fees of $2,000 for DFL SD67 for filing our 2020 Annual Report. We have had two changes in leadership and the new treasurer was not aware how to use the new software. In addition to this we did not have the previous data backed up correctly.

We appreciate all of the assistance the CFB staff has given us so far. We look forward to hearing your response to our request soon.

Re: Somali American Women Political Action Committee - Reg. # 41235 (SAWPAC)

Dear Asst. Executive Director Engelhardt:

I am writing to you on behalf of the above-captioned client. As you know, SAWPAC filed several of their reports in calendar year 2020 late, and as a result have incurred late filing fees of $1650 and a potential civil penalty related to such late filings. This letter is an explanation of why several filings were late, what SAWPAC has done to ensure future filings are not late, and a request to waive as much of the late filing fees and civil penalty as the Board deems appropriate.

Calendar year 2020 was the first year that SAWPAC existed, and unfortunately its formation also coincided with the onset of the COVID-19 pandemic and the disruption of most office systems. Much of SAWPAC’s leadership was heavily involved in food and housing emergency distribution and assistance for the Somali community and did not focus much energy on growing SAWPAC.

The committee did a small amount of fundraising and made a few contributions to candidate committees, which were reported in a timely manner. The filings that were late on the whole had no changes from the previously filed reports, and the late filings represented no attempt to delay public notice of any contributions or receipts by SAWPAC.

SAWPAC also realizes that changes must be made on their end in order to avoid any further late filings or penalties, and therefore are in the process of appointing a new treasurer who will be solely in charge of filing their reports. The committee will update their records with the Board as soon as the new treasurer is in place and will ensure that the new appointee is checking SAWPAC mail and emails more frequently.

SAWPAC understands that the Board may be unable to waive all penalties and late fees, and in the event that the request for waiver is denied, SAWPAC would request the ability to make monthly or quarterly payments to the Board.

Thank you for your time and attention. Please feel free to contact me if you have any questions or require any further information.

Very truly yours,

Dear Board Members,

This letter is to serve to purposes in my response to the complaint and lawsuit to my short campaign in House District 38A.

1. As I was completing the 2020 Annual Statement of Economic Interest for Public Officials, I researched the possibility of Securities in a retirement account I received from a Qualified Domestic Relations Order from my divorce decree. I offer this explanation of my research to the board to be as truthful and transparent as possible in this section of the Statement.

   All of the funds in this account are within a CIT – “Collective Investment Trust Fund” – which is not considered to be a mutual fund. Current SEC standards do not require CIT funds to file or make available a prospectus stating what stocks are owned inside the fund. While my account’s specific CIT fund lists an asset allocation of 53% of domestic stock, the only “drilled-down” information I was given by the investment firm where my account is held stated the CIT fund is actually made up of 8 smaller CIT funds that do not provide any stock holding information.

   I have no other means to verify if my account holds any stocks in excess of $10,000, as confirmed by a “Workplace Planning Consultant” I spoke to at the Investment firm I contacted.

   For reference and transparency, I have included the May 2020 statement of my account along with Collective Investment Trust fund fact sheet and additional fund information with this letter.

2. After speaking with and receiving assistance from MN CFB staff member Jodi Pope, I believe submitting the completed Economic Interest Statement with this letter completes the requirements listed in the complaint of my campaign.

   As I stated in my response to the Summons of the lawsuit addressed to Mr. Nathan Hartshorn with the Minnesota Attorney General’s office, my very short campaign started and ended amid a chaotic time in our State House District after Representative Linda Runbeck abruptly retired and withdrew her candidacy on June 2, 2020 - the last day of candidate filings. I had been notified of this planned withdrawal approximately 5:00pm on June 1st. Not having all the details and less than 18 hours to decide and plan to file to make sure there would be a Republican candidate on the November ballot, I hastily filed my candidacy paperwork and paid the $100 filing fee.

   The next four weeks were even more chaotic for my campaign as I tried to set up a basic campaign bank account with two different financial institution. Four days after filing, I took my kids on a long-planned trip to visit friends for a COVID-quarantined vacation.

   Shortly after the SECOND Republican endorsement convention on June 22nd, I came to the conclusion that filing to be a candidate for the State Representative election in House District 38A was a big mistake. The rest of my summer was inundated with efforts of finding employment since I was
unemployed before the events that took place stated above. I was also very busy registering and preparing my twin teenage children for attending in-person, a new school starting in mid-August. Unfortunately, the certified letters from the Campaign Finance Board never came directly to me for signature due to COVID. As I and my kids retrieved mail, I just didn’t notice those envelopes as anything different than the piles of junk mail, candidate surveys, bills and insurance documents that came after my vehicle was burglarized and purse was stolen at the beginning of August. Goodness sakes, I forgot all about filing the required Economic Statement.

With all that said, I humbly and respectfully ask the Campaign Finance Board for leniency in late fees and penalties for my neglect in filing the Economic Statement. I agree that I should pay a penalty for causing more work for the Board to do. But, I cannot afford anything close to maximum $1,100 that could be levied on me. I did not raise any funds for my campaign, therefore I would be paying penalties out of my own savings.

Thank you all for your time in this matter.

Kelly Gunderson

Mr. Hartshorn,

This letter is my response to the Summons of which I was served on Friday, February 26, 2021. In this letter, I intend to respond to each paragraph of the complaint first. After that, I will share more information regarding my filings and situation I found myself after filling to be a candidate.

In the complaint within the Summons, I agree with paragraphs numbered 1, 2, 3, 4 and 5.

I do not understand the purpose of paragraph 6 at this time, but I believe it may be procedural language of this civil matter is to be handled by a judicial court. I will try to seek advice on the meaning of paragraph 6.

I also agree with paragraphs 7, 8, 9, 10, 11 and 12.

Regarding paragraphs 13 thru 16: I have been reviewing files to verify that I received all of the letters mentioned here and verify they actually arrived. Please note that due to COVID-19 restrictions, I have note signed for any certified mail for the past 12 months.

Regarding the paragraphs of requests of the Plaintiff, I would like to respond to each request.
  1. I understand that I will need to, and I intend to file the Statement of Economic Interest.
  2. I understand that the Board is requesting I be fined the full $1,000 civil penalty. I am currently unemployed and have been for over a year. If there is a judgement against me, a fine of that size would be a hardship for me and my family
  3. In reference to other costs I could be penalized with, I would ask for leniency.

On Monday June 1, 2020 at approximately 5:30pm, I received a phone call from the Vice-Chair of Senate District 38 Republican Committee. This phone call was to inform me that Representative Linda Runbeck was withdrawing her name for candidacy for House District 38A the next day before filing closed at 5:00p. The Committee had agreed to inform anyone in the district who they felt would be a good candidate or who had previously expressed interest in running for office.
The late decision of Representative Runbeck to withdraw was a surprise to me, considering I was meeting with her and other candidates in the district on campaign strategy and efforts, I believe, as recently as the previous week.

Not knowing who else would be filing with less than 24 hours before filing closed, I went to the Secretary of State’s office to file and make sure our district had a Republican candidate on the November 2020 ballot.

The next three weeks were chaotic, stressful and different than any other campaign season I had experienced as a volunteer, let alone as a first time legislative candidate. In that time, I had a pre-planned vacation with my teenage children to stay with friends. I also had tremendous trouble just establishing a bank account for my campaign. It resulted in many phone calls and multiple visits to open, revise and ultimately close the account with one financial institution. After then opening an account with a difference institution, I ultimately didn’t receive any campaign donations except for $100 of my money to open the accounts.

Approximately 3 weeks after filing, our local Republican party chapter held a 2nd endorsing convention. After conversations with people who knew more than I did about Representative Runbeck’s decision to withdraw, along with trouble I had to establish a campaign and connect with delegates in our area, I knew I had no chance to with endorsement. I received 3 votes and I ended my campaign the next day.

I took no campaign donations and I’m not sure I even spent any money on campaign expenses.

This situation was upsetting to me because of conversations I previously had with Representative Runbeck and other friends in our district, who I found out later knew of Representative’s plan to withdraw much earlier than she had stated to me during the winter and Spring of 2020.

The chaotic situation and other factors led me to having much difficulty keeping up on any campaign items I needed to do. Instead I needed to focus on my children starting the school year at a new school in August, which I was not able to clarify that decision until mid to late July due to COVID restrictions. Then I had a succession of stressful events including my car being broken into in early August, with 2 car breakdowns within weeks of that. All this time, I was searching for new employment and struggling with keeping up on household expenses.

I don’t know what is next in this process, so I submit this letter with hopefulness of a cooperative resolution.

With thanks,

Kelly Gunderson

Re: Candidate statement of economic interest due June 16, 2020

Kelly Gunderson

You have failed to file with the Board your candidate statement of economic interest. This filing is a statutory requirement of all candidates for state-level office. You must file this statement even if you are not required to register a committee with the Campaign Finance Board, do not actively campaign for office, or lost the primary election.

To date you have accrued the statutory maximum $100 late filing fee and the maximum $1,000 civil penalty due to your failure to file the candidate statement. If you do not file the statement and pay the $1,100 by the end of the day on August 31, 2020, the Board will consider referring the matter to the Minnesota Attorney General’s Office for litigation to obtain the statement and the amounts owed. The Board will consider this matter at its September 9, 2020, meeting, which is open to the public.

Please complete the enclosed form and return it, along with a check for $1,100 payable to the State of Minnesota, to the Board at the address listed below by the end of the day on August 31, 2020. Under Minnesota Statutes, all fees are deposited in the general fund of the state. Failure to submit the statement and to pay the amount owed may also result in referral to the Minnesota Department of Revenue to begin the collection process.

The Board may reduce or waive late filing fees upon written request for good cause. A waiver request should explain in detail the reasons why the Board should waive or reduce the late filing fees. You may mail or email the request to either of the addresses provided below. The waiver request will be public information and will be reviewed by the Board at the next scheduled meeting after the request is received.

Kelly Gunderson,

The Campaign Finance and Public Disclosure Board records indicate that you filed an affidavit of candidacy for House of Representatives on June 2, 2020. Minnesota Statutes section 10A.09 requires you to submit to the Board a statement of economic interest within 14 days of filing the affidavit of candidacy.

As of the date of this letter the Board has not received the required statement of economic interest.

**Because the statement was not received or postmarked by the due date, a late fee of $5 per day began to accrue on July 1, 2020. If the statement has not been filed by the time the maximum $100 late fee has accrued, a civil penalty of $1,000 also may be imposed.**

A blank statement of economic interest is enclosed with this letter. Please complete and return it to the Board as soon as possible by email, fax, or US Mail. The Board's fax number, email, and mailing address are in the Instruction section of the form.

If you have any questions on completing your statement, please contact me at 651-539-1183 or 800-657-3889 or by email at jodi.pope@state.mn.us.

Sincerely,

Subject: Re: CFB v. Partlow

In regards to the missing(now filed with Ms Jodi Pope) form and waiving the $1,100 in fees.

I believe my reasons for requesting that the fees be waived and the case be dropped are valid, and are as follows.

I was unaware that I had to file this form in the first place, as it was my first time running for any government position, office, or campaign.

I ran for the Legalize Marijuana Now campaign, and was not made aware by any of my fellow party members of this form. That being said, I also did not receive paper mail for the campaign that was not given to me by hand. This can be verified by Ms Pope, as she said on the phone that there was an issue with getting paper mail to me for some reason.

As validated by the form itself, I did not take any money on behalf of the campaign, nor put money of my own into it. I have been working as an Essential Worker (cashier) since before and for the duration of the pandemic at full time hours the entire time. The only exception of which being when I was out for 2 weeks with Covid 12/8/2020.

I appreciate the understanding of the board and the cooperation of both Ms Pope and Mr Hartshorn.

Reg. No.: 8127

Dear James Knips,

On March 9, 2021, the Campaign Finance and Public Disclosure Board sent you correspondence regarding a late filing fee of $95. This accrued because your Economic Interest Statement, due 01/25/2021, was not timely received. As of today, your payment has not been received. In addition, a late filing fee of $30 remains outstanding for your 2019 annual.

Please mail or deliver a check for $125 payable to the State of Minnesota to the Board at the address listed above by 06/08/2021. Under Minnesota Statute, all fees are deposited in the general fund of the state.

Failure to pay this fine by the due date above may result in referral to the Department of Revenue to begin the collection process.

The Board may reduce or waive late filing fees upon written request for good cause. A waiver request should explain in detail the reasons why the Board should waive or reduce the late filings fees. You may mail or e-mail the request to our office using the contact information in this letter. The waiver request will be public information, and will be reviewed by the Board at the next scheduled meeting after the request is received.

If you have any questions about this letter or the assessment of late filing fees please contact me.

Sincerely,

Re: Prima facie determination finding no violation

Complaints filed with the Board are subject to a prima facie determination which is usually made by the Board chair in consultation with staff. When the Board does not have a chair, a vice chair, or a quorum, the complaint is referred to the member with the longest tenure on the Board. In June of 2021 the senior Board member was Daniel Rosen.

If a Board member determines that the complaint states a violation of Chapter 10A or the provisions of Chapter 211B under the Board’s jurisdiction, the complaint moves forward to a probable cause determination by the full Board.

If the member determines that the complaint does not state a prima facie violation, the prima facie determination must dismiss the complaint without prejudice. When a complaint is dismissed, the complaint and the prima facie determination become public data. The following complaint was dismissed by Member Rosen and the prima facie determination is provided here as an informational item to the other Board members. No further action of the Board is required.

Complaint regarding Alexander Minn and the Bull Moose Party

On June 7, 2021, the Board received a complaint submitted by Quentin Wathum-Ocama regarding Alexander Minn and an entity known as the Bull Moose Party. The complaint alleges that the Bull Moose Party failed to register with the Board as required by Minnesota Statutes section 10A.14, subdivision 1. In support of the assertion that the Bull Moose Party was required to register with the Board, the complaint provided screen shots of a Facebook page titled the Bull Moose Party and Facebook advertisements run via that page that support Minneapolis city council candidate Michael Moore and oppose Minneapolis city council candidate Jason Chavez.

Member Rosen concluded that because the complaint concerned expenditures for and against candidates running for municipal office, the Board had no jurisdiction over the registration of the association making the expenditures. Mr. Rosen therefore determined that the complaint did not state a prima facie violation of the provisions of Chapter 10A.

In the Matter of the Complaint of Quentin Wathum-Ocama Regarding Alexander Minn and the Bull Moose Party

On June 7, 2021, the Campaign Finance and Public Disclosure Board received a complaint submitted by Quentin Wathum-Ocama regarding Alexander Minn and an entity known as the Bull Moose Party. The complaint alleges that the Bull Moose Party failed to register with the Board as required by Minnesota Statutes section 10A.14, subdivision 1. Principal campaign committees (committees formed by a candidate), political committees, political funds, and political party units are generally required to register with the Board within 14 days after receiving contributions or making expenditures in excess of $750 within a calendar year.

In support of the assertion that the Bull Moose Party was required to register with the Board, the complaint provides screen shots of a Facebook page titled The Bull Moose Party and Facebook advertisements run via that page that support Minneapolis city council candidate Michael Moore and oppose Minneapolis city council candidate Jason Chavez. The complaint includes a screenshot showing that some of the advertisements have a disclaimer stating that they were paid for by Alexander Jerome Minn. The complaint also states that the Bull Moose Party has not registered with Hennepin County as a political committee, political fund, or candidate committee as provided in Minnesota Statutes section 383B.046, subdivision 1.

Determination

Minnesota Statutes section 10A.14, subdivision 1, provides that the “treasurer of a political committee, political fund, principal campaign committee, or party unit must register with the board by filing a registration statement.” Generally, the registration must occur within 14 days of receiving contributions or making expenditures to influence the nomination or election of candidates for state-level office, as defined in Minnesota Statutes section 10A.01, subdivision 10.¹ The complaint does not specify whether the Bull Moose Party should be registered as a political committee, political fund, party unit, or candidate committee, but in all cases, the requirement to register with the Board is contingent on raising, or spending, sufficient funds to influence the election of state-level candidates.

The complaint only alleges and provides documentation that the Bull Moose Party made expenditures to influence the election of individuals seeking municipal office. The complaint therefore does not state a prima facie violation of the requirement to register with the Board provided in Minnesota Statutes section 10A.14, subdivision 1.

¹ A political committee or political fund may also need to register with the Board if it is organized to promote or defeat a constitutional amendment, which is not alleged in this complaint.
The Board notes that 2021 Minnesota Laws, chapter 31, article 4, provides that beginning January 1, 2022, a political committee, political fund, or political party unit that raises or spends the threshold amount to influence the nomination or election of a Minneapolis city council candidate will be required to register with and report to the Board. However, as of the date of this prima facie determination, registration and reporting for expenditures related to the election of Minneapolis city council members is regulated by Minnesota Statutes Chapter 383B, which the Board does not administer.

Pursuant to Minnesota Statutes section 10A.022, subdivision 3, this prima facie determination is made by a single Board member and not by any vote of the entire Board. Based on the above analysis, the undersigned Board member concludes that the complaint does not state a prima facie violation of Chapter 10A or of those sections of Chapter 211B under the Board’s jurisdiction. The complaint is dismissed without prejudice.

Daniel N. Rosen, Member
Campaign Finance and Public Disclosure Board

Date: June 16, 2021

---

2 Minneapolis city council candidates will file financial reports with the City of Minneapolis.
3 Under current law a political committee or political fund that is required to register with Hennepin County has the option to instead register with the Board pursuant to Minnesota Statutes section 383B.046, subdivision 1.

**Nature of complaint**

Explain in detail why you believe the respondent has violated the campaign finance and public disclosure laws. Attach an extra sheet of paper if necessary. Attach any documents, materials, minutes, resolutions, or other evidence to support your allegations.

See document titled "Nature of Complaint"

Minnesota Statutes section 10A.022, subdivision 3, describes the procedures required for investigating complaints. A full description of the complaint process is available on the Board's website.

Briefly, the Board will notify you when it has received your complaint. The Board must send a copy of the complaint to the respondent. Complaints and investigations are confidential. Board members and staff cannot talk about an investigation except as required to carry out the investigation or to take action in the matter. After the Board issues a decision, the record of the investigation is public.

The law requires a complaint to go through two stages before the Board can begin an investigation: a prima facie determination and a probable cause decision. If the complaint does not pass one of the stages, it must be dismissed.

The Board has 10 business days after receiving your complaint to determine whether the complaint is sufficient to allege a prima facie violation of the campaign finance laws. If the Board determines that the complaint does allege a prima facie violation, the Board has 45 days to decide whether probable cause exists to believe a violation that warrants a formal investigation has occurred. Both you and the respondent have the right to be heard on the issue of probable cause before the Board makes this decision. The Board will notify you if the complaint moves to the probable cause stage.

If the Board determines that probable cause does not exist, the Board will dismiss the complaint. If the Board determines that probable cause exists, the Board will start an investigation. The Board will send you monthly updates regarding the status of the investigation. At the end of the investigation, the Board will offer you and the respondent the opportunity to be heard before the Board makes a final decision.

In most cases, the Board will issue findings, conclusions, and an order as its decision. For a spending or contribution limits violation, the Board can enter into a conciliation agreement with the respondent instead of issuing findings, conclusions, and an order. The Board's final decision will be sent to you and posted on the Board's website.
Nature of Complaint

The basis for my complaint against the entity known as the “Bull Moose Party” stems from a belief that they are operating as an unregistered political entity within the state of Minnesota in violation of Section 10A.14, subdivision 1.

Before filing this complaint, a cursory search was done to see if any entity using the name “Bull Moose Party” or other similar name was registered with the Hennepin County Elections, the Minnesota Campaign Finance Board, or the Federal Election Committee to no avail.

Primarily, the entity known as the “Bull Moose Party” operates a Facebook page (https://www.facebook.com/BringBacktheBullMoose) that has two primary aims in since March of 2021: (1) supporting the candidacy of Micky Moore for Minneapolis City Council (Ward 9) and (2) attacking opposing candidates, including Jason Chavez (Ward 9).

While political Facebook pages supporting or opposing candidates is nothing that would typically raise alarm for most people, it is also apparent that the entity known as the “Bull Moose Party” is spending and possibly raising money to use on Facebook advertisements to influence the 2021 Minneapolis municipal election.

According to Facebook’s advertisement library, the entity known as the “Bull Moose Party” has spent $1,406 on advertisements relating to about social issues, elections, or politics since the page was created on July 26th, 2020 (see Image A). Of that $1,406, only $105 was designated as content not relating to social issues, elections or politics by Facebook advertisement moderators. While some of those dollars may have been used in other jurisdictions, there is evidence that a significant sum at or exceeding the $750 trigger as specified in Section 10A.14, subdivision 1 was used particularly for electioneering for municipal candidates in Minnesota.
Nature of Complaint

In digging deep into Facebook's advertisement library, we can see that there are at least two instances where, the entity known as the “Bull Moose Party” spent between $400 and $697 (see Image B, Image C, and Image D). We can also see several other instances of advertisement spending of up to $99 (See Image E through J) creating reasonable suspicion that spending has met or exceeded the $750 trigger as specified in Section 10A.14, subdivision 1.

Additionally, on the website of the entity known as the “Bull Moose Party” (https://bullmooseparty2020.wixsite.com/bullmoose), the home page states they have raised $6,250 from contributions which raise the same registration questions that the advertisement expenditures raises pursuant to Section 10A.14, subdivision 1, particularly since there is uncertainty about the size of those contributions and where those contributions came from (e.g. where any of those donors Minnesota residents).

Finally, because the entity known as the “Bull Moose Party” does not have any registration on record with Hennepin County Elections, the Minnesota Campaign Finance Board, or the Federal Election Committee, this complaint identifies Alexander J. Minn as this individual is listed via the Facebook Ad Library (Image L) and he is also listed as a moderator of a Facebook group known as the “Rough Riders: Bull Moose Party” group that includes himself and the Facebook page for the entity known as the “Bull Moose Party” as moderators. Mr. Minn is a previous resident of Minneapolis Minnesota but is believed to reside in Norwalk, California (the address listed on the complaint). It is worth noting that the entity known as the “Bull Moose Party” lists Costa Mesa, California (ZIP Code 92627) as its physical location via the Page Transparency requirements on Facebook - it is believed that Mr. Minn previously lived at 345 Avocado St, Apt 201A, Costa Mesa, CA 92627 according to public records.

Minneapolitans and Minnesotans deserve to know who is influencing their elections - I hope this complaint raises the same concerns with the board that I currently share.
