## **Public subsidy payments**

Mr. Sigurdson stated that on August 18 the Board issued over \$2.3 million in public subsidy payments to 316 candidates. Mr. Sigurdson said that the average payment to House candidates was \$3,515 and the average payment to Senate candidates was \$6,938. Mr. Sigurdson noted that only one candidate received a public subsidy payment for each of the offices of governor/lieutenant governor, attorney general, and secretary of state. Mr. Sigurdson explained that two candidates for state auditor received a public subsidy payment with one of those candidates being the Legal Marijuana Now candidate.

## **ENFORCEMENT REPORT**

### **A. Consent Items**

#### **1. Administrative termination of lobbyist Matthew Lee Bruce Sieg (4751)**

Mr. Olson stated that Amanda Koehler, policy manager for the Land Stewardship Project, has requested the administrative termination of Matthew Lee Bruce Sieg as a lobbyist for that principal. Mr. Olson said that Mr. Sieg left his role as an intern with the principal in May 2020 and the principal attempted to contact Mr. Sieg to ask him to file a termination statement, but did not receive any response. Mr. Olson explained that Mr. Sieg has been included within the disbursement reports filed by one of the principal's reporting lobbyists, so there are no outstanding reports aside from the termination statement and Board staff terminated Mr. Sieg's lobbyist registration as of May 31, 2020.

The following motion was made:

Member Leppik's motion: To approve the request.

Vote on motion: A roll call vote was taken. Five members voted in the affirmative, Asp was absent.

### **B. Discussion Items**

#### **1. Balance adjustment request – Erina Prom for MN House (18546)**

Mr. Olson stated that Ms. Prom was an unsuccessful candidate for state representative in 2020. Mr. Olson said that her committee's 2020 year-end report of receipts and expenditures listed an ending cash balance of \$307.19, while the committee's 2021 year-end report (amendment 2) listed a beginning cash balance of \$741, leaving a discrepancy of \$433.81. Mr. Olson said that the committee's 2021

year-end report (amendment 2) listed an ending cash balance of \$740.75, while the committee's termination report filed in July 2022 listed a beginning cash balance of \$656.75, leaving a discrepancy of \$84. Mr. Olson explained that the committee's treasurer, Theresa Dworak, reviewed the committee's financial records and discussed the matter with Board staff, but is unable to reconcile those discrepancies. Mr. Olson stated that the committee therefore is asking that its 2020 ending cash balance be adjusted upward by \$433.81 and that its 2021 ending cash balance be adjusted downward by \$84, resulting in a net upward adjustment of \$349.81. Mr. Olson said that Ms. Dworak provided bank statements showing that the balances in the committee's bank account at the end of 2020 and 2021 were \$741 and \$656.75, respectively, the committee reported \$16,967 in monetary receipts and \$16,660 in monetary disbursements in 2020, and the committee's registration with the Board has been terminated.

The following motion was made:

Member Swanson's motion: To approve the request.

Vote on motion: A roll call vote was taken. Five members voted in the affirmative, Asp was absent.

**C. Waiver Requests**

Don Mattsson appeared before the Board via Webex on behalf of the 8th Senate District DFL (New) and explained the basis for his request to waive the \$350 late filing fee for that party unit's 2022 pre-primary report of receipts and expenditures. Jeff Phillipich then appeared before the Board via Webex on behalf of the 8th Congressional District DFL (Old) and explained the basis for his request to waive the \$500 late filing fee for that party unit's 2022 pre-primary report. The Board then considered each waiver request.

Entity	Late Fee/ Civil Penalty	Report Due	Factors and Recommended Action	Board Member's Motion	Motion	Vote on Motion
1. Wesenberg for Senate (18778)	\$1,000 LFF	Pre-Primary 24-Hour Notice	Notice due 7/20/2022 for a \$5,000 loan received 7/19/2022 was filed 8/19/2022 via CFR. Treasurer entered the loan receipt in a timely manner in CFR but was not prompted to file a 24-hour notice. Staff discovered an error that caused CFR not to identify receipts dated 7/19/2022 as requiring a 24-hour notice and that error was not corrected until 7/20/2022. RECOMMENDED ACTION: Waive	Soule	Approve the staff recommendation for requests 1-8	A roll call vote was taken. Five members voted in the affirmative, Asp was absent.

The person who served as both treasurer and chair was hospitalized for much of July and died 8/13/2022. Shortly thereafter the new treasurer filed a no-change statement listing a cash balance of \$537.57. RECOMMENDED ACTION: Waive</p>	<p>Soule</p>	<p>Approve the staff recommendation for requests 1-8</p>	<p>A roll call vote was taken. Five members voted in the affirmative, Asp was absent.</p>
<p>3. Larvita (McFarquhar) for Senate (18943)</p>	<p>\$100 LFF</p>	<p>2022 Pre-Primary</p>	<p>Report due 7/25/2022 was filed two days late. Candidate had difficulty trying to complete her report and emailed a document to Board staff late in the evening on the due date reflecting that the committee had not raised or spent any funds. After being contacted the following day the candidate promptly filed the report using the Board's report form. The committee registered with the Board in June 2022 and the candidate has not signed a public subsidy agreement. Staff's recommendation to waive the LFF is based on the facts that the committee had no financial activity through 7/18/2022 and therefore was not required to register with the Board, and the candidate attempted to file a report on the due date. RECOMMENDED ACTION: Waive</p>	<p>Soule</p>	<p>Approve the staff recommendation for requests 1-8</p>	<p>A roll call vote was taken. Five members voted in the affirmative, Asp was absent.</p>

Previous treasurer resigned abruptly in July, the party unit's chair had to take over the role, and he had difficulty gaining access to the party unit's bank, Anedot, and email accounts, resulting in him not having the requisite financial data until 8/3/2022. Report lists a cash balance of \$5,635 as of 7/18/2022. RECOMMENDED ACTION: Waive</p>	<p>Soule</p>	<p>Approve the staff recommendation for requests 1-8</p>	<p>A roll call vote was taken. <p>6. 55th Senate District DFL (New) (20980)</p>	<p>\$50 LFF</p>	<p>2022 Pre-Primary</p>	<p>Report due 7/25/2022 was filed one day late. Due to redistricting the treasurer was managing both the 51st Senate District DFL (Old) and the 55th Senate District DFL (New). Treasurer filed a pre-primary/termination report on time for the old entity but had difficulty coordinating with the treasurer of another terminating party unit on how to allocate receipts and expenses between the two party units, causing the report to be filed a couple hours after the deadline. The report lists a cash balance of \$1,442 as of 7/18/2022. RECOMMENDED ACTION: Waive</p>	<p>Soule</p>	<p>Approve the staff recommendation for requests 1-8</p>	<p>A roll call vote was taken. Five members voted in the affirmative, Asp was absent.</p>
<p>7. 8th Senate District DFL (New) (20955)</p>	<p>\$350 LFF</p>	<p>2022 Pre-Primary</p>	<p>Report due 7/25/2022 was filed 8/3/2022. Due to redistricting the treasurer was managing both the 7th Senate District DFL (Old) and the 8th Senate District DFL (New). Treasurer filed a pre-primary report on time for the old entity but was confused and initially didn't file a report for the new entity. Report has since been amended and lists a cash balance of \$3,818 as of 7/18/2022. Due to the treasurer's confusion, nearly all of the transactions listed on the amended report of the new party unit had already been disclosed on the original report of the old party unit. RECOMMENDED ACTION: Waive</p>	<p>Soule</p>	<p>Approve the staff recommendation for requests 1-8</p>	<p>A roll call vote was taken. Five members voted in the affirmative, Asp was absent.</p>

<p>8. 8th Congressional District DFL (Old) (20253)</p>	<p>\$500 LFF</p>	<p>2022 Pre-Primary</p>	<p>Report due 7/25/2022 was filed 8/9/2022. Due to redistricting the treasurer was managing both the old and new iterations of the party unit. Treasurer filed a pre-primary report on time for the new entity believing that the registration form filed for the new entity eliminated the requirement to file a report for the old entity. The only transaction included in the report is the transfer of funds from the old entity to the new entity, the report is a termination report, and the old entity has a zero balance. The new entity reported a cash balance of \$12,727 as of 7/18/2022. RECOMMENDED ACTION: Waive</p>	<p>Soule</p>	<p>Approve the staff recommendation for requests 1-8</p>	<p>A roll call vote was taken. <p>9. Barbara Johnson (4573)</p>	<p>\$150 LFFs</p>	<p>1st 2022 Lobbyist (x 3)</p>	<p>Three reports due 6/16/2022 were filed two days late. Lobbyist stated she did not receive mailed notice or email reminders concerning those reports in a timely manner. The mailed notice and email reminders were sent to the mailing address and email address listed on a lobbyist registration form with the lobbyist's signature filed on 2/24/2022, which consisted of the PO Box of a business she is affiliated with and that business's general email address. Lobbyist's mailing address and email address have since been changed within the Board's records. RECOMMENDED ACTION: Reduce to \$75</p>	<p>Leppik</p>	<p>Approve the staff recommendation for requests 9-10</p>	<p>A roll call vote was taken. Five members voted in the affirmative, Asp abstained.</p>

10. Traverse County DFL (20316)	\$400 LFF	2022 Pre-Primary	Report due 7/25/2022 was filed 8/4/2022. Treasurer was on vacation for much of July and didn't receive the paper report form until after the due date. Treasurer attempted to file the report 7/29/2022 but mistyped the Board's email address. LFF would have been \$200 had the report been received that day. Party unit has no recent history of filing late reports. Report lists a cash balance of \$145 as of 7/18/2022.RECOMMENDED ACTION: Reduce to \$200	Leppik	Approve the staff recommendation for requests 9-10	A roll call vote was taken. Five members voted in the affirmative, Asp abstained.

**PRIMA FACIE DETERMINATION**

Mr. Sigurdson presented members with a memorandum that is attached to and made a part of these minutes. Mr. Sigurdson stated that a complaint was filed against the Scott County RPM and its former chair. Mr. Sigurdson said that the complaint alleged two violations of Minnesota Statutes Chapter 211B that are outside the Board's jurisdiction. Mr. Sigurdson stated that the complaint alleged a violation of Minnesota Statutes section 10A.176, which is not possible because that statute defines what constitutes a coordinated expenditure rather than prohibiting coordinated expenditures. Mr. Sigurdson said that the complaint also alleged a violation of the reporting requirements within Minnesota Statutes section 10A.20, but that allegation is not timely because the contribution alleged to have been made by the Scott County RPM occurred after the end of the most recent reporting period applicable to that party unit, which ended on July 18, 2022. Mr. Sigurdson explained that the Board chair therefore found that the complaint did not state a prima facie violation.

Member Soule questioned whether a candidate's use of a portion of a fair booth rented by a party unit constitutes a contribution from that party unit. Mr. Sigurdson stated that there is an aggregate

contribution limit applicable to contributions from party units to candidates, which includes in-kind contributions. Mr. Sigurdson said that there is an exception for certain multicandidate political party expenditures that involve three or more candidates, but the exception applies to very specific types of expenditures. Mr. Sigurdson stated that use of a fair booth would not qualify as a multicandidate expenditure under existing law. Mr. Sigurdson also noted that although a candidate's use of a fair booth paid for by a party unit is an in-kind contribution, an in-kind contribution of \$20 or less does not need to be recorded or reported. Member Soule said that he imagines that many party units have the same issue and asked whether reports filed with the Board have included in-kind contributions from party units to candidates consisting of the use of a fair booth. Mr. Sigurdson said he is unsure of the answer to that question and noted that if desired, the legislature may amend the relevant statute to define the use of a fair booth by three or more candidates as a multicandidate political party expenditure.

Member Asp asked whether the Board has ever found a violation where a party unit failed to report a similar in-kind contribution to a candidate. Mr. Sigurdson said there have been enforcement actions involving a party unit paying for an entry in a parade that featured multiple candidates. Ms. Engelhardt also explained that Board staff has had discussions with party unit treasurers regarding the value of an in-kind contribution consisting of a candidate's use of a portion of a fair booth paid for by the party unit.

### **LEGAL COUNSEL'S REPORT**

Mr. Hartshorn provided members with a legal report that is attached to and made a part of these minutes. Mr. Sigurdson stated that a default judgment hearing has been scheduled for November 1, 2022, in the Shim matter.

### **EXECUTIVE SESSION**

Chair Rashid recessed the regular session of the meeting and called to order the executive session. Upon recess of the executive session, the chair had nothing to report into regular session.

There being no other business, the meeting was adjourned by the chair.

Respectfully submitted,

Jeff Sigurdson  
Executive Director

# MINNESOTA CAMPAIGN FINANCE BOARD

**Date:** August 31, 2022

**To:** Board Members

**From:** Jeff Sigurdson, Executive Director

**Telephone:** 651-539-1189

**Re:** Executive Director's Report

**Campaign Finance Reports:** Staff is preparing to send the notice of the need to file the 4th Report of Receipts and Expenditures to 12 principal campaign committees for statewide office, 450 political committees and funds, and the 10 political party state central committees and legislative caucuses. The reports are due on September 27, and cover financial activity that occurred by September 20, 2022. Candidates for the legislature do not file this report.

**Public Subsidy Payments:** On August 18, 2022, the Board issued \$2,334,631 in public subsidy payments to 316 qualified candidates for constitutional office, the state senate, and the house of representatives. To qualify for a public subsidy payment the candidate must register a principal campaign committee, sign the public subsidy agreement, be opposed at either the primary or general election, win the primary election if opposed, raise a specified amount of contributions from eligible Minnesota voters, and file an affidavit of contributions stating that the candidate has raised the required amount.

The money used for the public subsidy payments comes from an appropriation of \$1,020,000 which is divided evenly among major party candidates for an office regardless of party affiliation, and from the \$5 political party check-off on the state income and property tax forms. The political party check-off money is allocated based on a formula that considers the number of taxpayers within a legislative district that select a particular party, and the preceding state general election results for the district. This results in a broad range of amounts for the political party payments depending on the relative strength of the political party in the district. For example, total public subsidy payments issued to house candidates ranged from \$2,289 to the Republican candidate in District 1A, to a high of \$7,466 issued to the DFL candidate in District 64A. For senate candidates the range was from \$4,181 paid to the Republican candidate in District 62, to a high of \$14,719 paid to the DFL candidate in District 64. The average payment to house candidates was \$3,515, the average payment to senate candidates was \$6,938. A report of public subsidy payments by office, district, and party is attached to this report.

## CAMPAIGN FINANCE AND PUBLIC DISCLOSURE BOARD MAKES DISTRIBUTION OF 2022 PUBLIC SUBSIDY PAYMENTS

The Campaign Finance and Public Disclosure Board distributed **\$2,334,631** in public subsidy payments to 316 candidates who are running for Constitutional Office, the State Senate, or the House of Representatives at the 2022 state general election. A list of qualifying candidates and payments is attached.

Of the 431 candidates who filed for constitutional or legislative office, 384 (89%) signed the voluntary agreement to abide by spending limits and to comply with other conditions of the agreement required under Minnesota Statutes Chapter 10A.

To qualify for a public subsidy payment a candidate must:

- be opposed at either the primary or general election,
- appear on the general election ballot (win the primary election if opposed),
- sign and timely file a public subsidy agreement with the Board to abide by applicable campaign expenditure limits,
- and sign and timely file an affidavit of contributions stating that the candidate accumulated a specified amount in contributions from individuals eligible to vote in Minnesota.

Funds for the public subsidy payment are derived from an appropriation from the state general fund that is based on the check-off included on the state income and property tax forms and an additional \$1,020,000 biennial appropriation from the state general fund. By party, the total post-primary public subsidy payments were:

# MINNESOTA CAMPAIGN FINANCE BOARD

---

**Date:** August 31, 2022

**To:** Board members

**From:** Jeff Sigurdson, Executive Director

**Telephone:** 651-539-1189

**Re:** Prima facie determination finding no violation

Complaints filed with the Board are subject to a prima facie determination which is usually made by the Board chair in consultation with staff. If the Board chair determines that the complaint states a violation of Chapter 10A or the provisions of Chapter 211B under the Board's jurisdiction, the complaint moves forward to a probable cause determination by the full Board.

If the Board chair determines that the complaint does not state a prima facie violation, the prima facie determination must dismiss the complaint without prejudice. When a complaint is dismissed, the complaint and the prima facie determination become public data. The following complaint was dismissed by Chair Rashid and the prima facie determination is provided here as an informational item to the other Board members. No further action of the Board is required.

### **Complaint regarding the Scott County RPM and Joseph Ditto**

On August 22, 2022, the Board received a complaint submitted by Bob Foster regarding the Scott County RPM and Joseph Ditto. The complaint alleged that the Scott County RPM had violated Minnesota Statutes sections 211B.02 (false claim of support), 211B.06 (distribution of false campaign material), 10A.176 (expenditures coordinated with a candidate) and 10A.20 (information in campaign reports).

On August 31, 2022, Chair Rashid concluded that the Board does not have jurisdiction over the violations of Chapter 211B alleged in the complaint, and that the complaint did not state a prima facie violation of either Minnesota Statutes sections 10A.176 or 10A.20. Therefore, the complaint was dismissed.

CAMPAIGN FINANCE AND PUBLIC DISCLOSURE BOARD**

**PRIMA FACIE  
DETERMINATION**

IN THE MATTER OF THE COMPLAINT OF BOB FOSTER REGARDING THE SCOTT COUNTY RPM AND JOSEPH DITTO

On August 22, 2022, the Campaign Finance and Public Disclosure Board received a complaint submitted by Bob Foster regarding the Scott County RPM and Joseph Ditto, who is a former chair of the Scott County RPM. The Scott County RPM is a political party unit registered with the Board.

The complaint alleges that the Scott County RPM violated four provisions of Minnesota Statutes Chapters 10A and 211B. The complaint alleges that the Scott County RPM violated Minnesota Statutes section 10A.176 (activities that show expenditures are coordinated with a candidate) because the party unit did not have authority to make a coordinated expenditure supporting a candidate not endorsed by the Republican party, specifically Representative Erik Mortensen. The complaint further alleges that the party unit violated Minnesota Statutes section 10A.20 (information in campaign reports) when it failed to list an itemized in-kind contribution for the use of the fair booth by Representative Mortensen within its 2022 pre-primary report of receipts and expenditures. The complaint also states that the Scott County RPM violated Minnesota Statutes section 211B.02 (false claim of support), when the party unit let a candidate who was not endorsed by the Republican party distribute literature at the party unit's booth at the Scott County Fair. The complaint alleges that the Scott County RPM issued a press release that contained false statements about candidate Bob Loonan that violated Minnesota Statutes section 211B.06 (distribution of false campaign material). Lastly, the complaint alleges that the party unit also violated Minnesota Statutes section 211B.06 by allowing Representative Mortensen to use its booth at the Scott County Fair to disseminate false campaign material.

In support of the allegations the complainant provides photos of the party unit's booth at the Scott County Fair. The photos show campaign literature and signs for candidates available at the booth, including what is alleged to be literature for the Mortensen committee. The complaint also provides a picture of a water bottle allegedly given away at the booth with a "Mort for House" sticker attached. The complaint included copies of a Facebook post allegedly made by Representative Mortensen dated July 29, 2022, promoting times when he would be at the Scott County RPM fair booth, and a Facebook post by the Scott County RPM dated July 31, 2022, that generally promoted the booth at the fair. The complaint also provided a copy of a Scott County RPM press release dated August 3, 2022.

## Determination

The Board's jurisdiction over Minnesota Statutes Chapter 211B is limited, and does not extend to sections 211B.02 and 211B.06. Complaints regarding those two statutes must be filed with the Office of Administrative Hearings.<sup>1</sup> Minn. Stat. § 211B.32, subd. 1. The allegations in the complaint regarding a false claim of support and false campaign material therefore do not state a prima facie violation of Minnesota Statutes Chapter 10A or of those sections of Chapter 211B under the Board's jurisdiction.

Minnesota Statutes section 10A.176 describes relationships and communication between a candidate and or the candidate's committee and a political committee, political fund, or political party unit that would constitute a coordinated expenditure. Coordination with a candidate is not prohibited by this statute. The provisions of the statute are used to distinguish approved expenditures on behalf of a candidate from independent expenditures. The complainant appears to state that coordination between a party unit and a candidate that is not endorsed is a violation of this statute; however, a party's endorsement is irrelevant to the statute, and there is no means by which an individual or association may violate the statute because the statute does not prohibit any particular activity. The complaint therefore does not state a prima facie violation of Minnesota Statutes section 10A.176.

Minnesota Statutes section 10A.20 provides reporting requirements for political party units registered with the Board. The statute establishes filing deadlines for periodic reports that disclose, in part, the itemized contributions made to candidates for state office. Itemization is required when the cumulative contributions to a candidate exceed \$200. Each report discloses the party unit's financial activity for a specific period of time. As of the date of this prima facie determination the party unit has been required to file only one report in 2022, the pre-primary report, which covered financial activity during the period of January 1 to July 18, 2022.

The complaint points out that on its pre-primary report the Scott County RPM disclosed an expenditure on May 4, 2022, of \$600 to the Scott County Fair for rental of the booth. The complainant alleges that the report should have also itemized an in-kind contribution to the Mortensen committee for use of the fair booth. However, the complaint does not reference any specific evidence that the party unit rented the fair booth with the understanding that it would be an approved expenditure (a type of in-kind contribution) on behalf of the Mortensen committee or any other candidate. The photographs of the fair booth provided as evidence appear to show a banner and material promoting the Scott County RPM, along with campaign signs and/or campaign literature for at least twelve other candidates besides Representative Mortensen. The committees that provided literature or campaign signs to the Scott County RPM for display at the fair booth would have received an in-kind contribution consisting of the value of use of some area of the booth during the dates of the fair, which occurred from July 27 to July 31, 2022.

---

<sup>1</sup> The website of the Office of Administrative Hearings states that it "may not consider and must dismiss claims alleging violations of Minn. Stat. § 211B.06 (false campaign material); the United States Court of Appeals for the Eighth Circuit determined that statute was unconstitutional in 281 Care Committee v. Arneson."

These dates are after the period of activity included in the pre-primary report. To the extent that the use of the fair booth was a reportable in-kind contribution from the Scott County RPM to the Mortensen committee it would not be disclosed until the pre-general report, which is due on October 31, 2022, and includes activity from January 1 to October 24, 2022. Having concluded that an in-kind contribution for use of the fair booth did not need to be included in the pre-primary report, this prima facie determination need not consider whether the alleged contribution exceeded the \$20 threshold for accounting of in-kind contributions, and if so, whether the contribution requires itemization. The complaint therefore does not state a prima facie violation of the reporting requirements in Minnesota Statutes section 10A.20.

Pursuant to Minnesota Statutes section 10A.022, subdivision 3, paragraph (c), this prima facie determination is made by a single Board member and not by any vote of the entire Board. Based on the above analysis, the Chair concludes that the complaint does not state a prima facie violation of Chapter 10A or of those sections of Chapter 211B under the Board's jurisdiction. The complaint is dismissed without prejudice.

### Nature of complaint

Explain in detail why you believe the respondent has violated the campaign finance and public disclosure laws. Attach an extra sheet of paper if necessary. Attach any documents, materials, minutes, resolutions, or other evidence to support your allegations.

See Attached.

Minnesota Statutes section 10A.022, subdivision 3, describes the procedures required for investigating complaints. A full description of the complaint process is available on the Board's website.

Briefly, the Board will notify you when it has received your complaint. The Board must send a copy of the complaint to the respondent. Complaints and investigations are confidential. Board members and staff cannot talk about an investigation except as required to carry out the investigation or to take action in the matter. After the Board issues a decision, the record of the investigation is public.

The law requires a complaint to go through two stages before the Board can begin an investigation: a prima facie determination and a probable cause decision. If the complaint does not pass one of the stages, it must be dismissed.

The Board has 10 business days after receiving your complaint to determine whether the complaint is sufficient to allege a prima facie violation of the campaign finance laws. If the Board determines that the complaint does allege a prima facie violation, the Board has 45 days to decide whether probable cause exists to believe a violation that warrants a formal investigation has occurred. Both you and the respondent have the right to be heard on the issue of probable cause before the Board makes this decision. The Board will notify you if the complaint moves to the probable cause stage.

If the Board determines that probable cause does not exist, the Board will dismiss the complaint. If the Board determines that probable cause exists, the Board will start an investigation. The Board will send you monthly updates regarding the status of the investigation. At the end of the investigation, the Board will offer you and the respondent the opportunity to be heard before the Board makes a final decision.

In most cases, the Board will issue findings, conclusions, and an order as its decision. For a spending or contribution limits violation, the Board can enter into a conciliation agreement with the respondent instead of issuing findings, conclusions, and an order. The Board's final decision will be sent to you and posted on the Board's website.

## Nature of complaint

Explain in detail why you believe the respondent has violated the campaign finance and public disclosure laws. Attach an extra sheet of paper if necessary. Attach any documents, materials, minutes, resolutions, or other evidence to support your allegations

### 10A.176 COORDINATED EXPENDITURES. [Sec. 10A.176 MN Statutes](#)

Scott County RPM provided access to a paid fair booth. The Scott County RPM did not have authority to act on behalf of the party unit and therefore not deemed a party unit expenditure, violating Sub 7 (1) and (2), Candidates Participation. Candidate and Scott County RPM coordinated booth time to speak and distribute materials. Materials included campaign literature and water bottles with campaign logos. (See attached pictures) This would have otherwise come at a cost to the candidate.

### 211B.02 FALSE CLAIM OF SUPPORT [Sec. 211B.02 MN Statutes](#)

The Scott County RPM cannot directly or indirectly claim support for candidate Erik Mortensen by allowing the use of the Scott County Fair booth. As the constitution of the organization clearly states, the Scott County RPM can only support endorsed candidates. By use of the booth they have made a false claim of support, which was not granted by the delegates.

### 211B.06 FALSE POLITICAL AND CAMPAIGN MATERIAL (Gross Misdemeanor) [Sec. 211B.06 MN Statutes](#)

The Scott County RPM made statements in a press release which were false. Bob Loonan does not have a repeated history of Campaign Finance violations. Records show one claim by Erik Mortensen was dismissed in 2020 and no violations on the board enforcement actions log for 2018, as stated in the press release.

### 211B.06 FALSE POLITICAL AND CAMPAIGN MATERIAL (Gross Misdemeanor) [Sec. 211B.06 MN Statutes](#)

By allowing use of the Scott County Fair Booth, Scott County RPM falsely participated in the dissemination of campaign materials. Erik Mortensen was not endorsed at the HD54A convention as the delegates voted to not endorse for the HD 54A primary ballot question. Under the terms of its governing constitution, "To comply with Article V, Section 3.A.6 of the

Republican Party of Minnesota Constitution, it is the duty and responsibility of the Scott County GOP to only support the election of endorsed Republican candidates at the state....” the Scott County RPM did not have the authority support candidate Mortensen and therefore is falsely claiming endorsement support.

#### 10A.20 CAMPAIGN REPORTS [Sec. 10A.20 MN Statutes](#)

The Scott County RPM did not disclose the itemized campaign expense in supporting Erik Mortensen. A payment was made on 5/4/2022 to the Scott County Fair but no “In Kind” contribution was reported in the required Schedule B2A-PCC Direct Contributions to Candidate Committees. Since the Scott County RPM was unable to support the candidate as part of normal operating expenses as shown, the Scott County RPM can only support the election of endorsed Republican candidates.

## **Criminal Bob Loonan GUILTY Again**

**Shakopee, Minn.** – Today the Office of Administrative Hearings found Bob Loonan GUILTY after a full hearing of the evidence about his criminal activity which violated the Fair Campaign Practices law. The Fair Campaign Practices law aims to protect individuals and entities from those making fraudulent claims of being endorsed by candidates or their surrogates that are not officially endorsed. He must pay a fine by Sept. 2, 2022.

On June 18th, 2022, Bob Loonan was busted breaking the Fair Campaign Practices law fraudulently claiming he was endorsed by the Republican party and distributing literature trying to deceive Republican voters when he was NOT endorsed. He also falsely claimed he was up for re-election when he had not been in elected office for years, being rejected by voters over and over again. "Today justice was served and the rule of law upheld against the repeat violator Bob Loonan." Scott County GOP Spokesman Dale Even said.

Bob has been known for violations of Campaign Finance laws in 2018; fined \$10,000 for falsifying educational hours in 2015; and suspended from being allowed to teach education classes by the Minnesota Department of Commerce and yet again just months ago Bob was again fined another \$10,000 by the Minnesota Department Commerce for insurance class violations.

Now Bob has been found GUILTY of breaking the Fair Campaign Practices Laws. Bob's failed defense by his high-priced, unsuccessful lawyer, Rondell Reid LeBeau II, attempted to brush off the issue and demand lawyers fees. "After multiple reviews by judges who considered if there were prima facie

violation and probable cause, a three judge panel saw right through Bob Looan and his lawyers' weak and unsupported defense. Ultimately Bob was found GUILTY of violating the Fair Campaign Practices laws," Dale stated.

"This shows that average, everyday working people can hold the Political Class and politically well-connected accountable for their corrupt ways," said Jim Krause, Director At-Large for the Scott County GOP, who filed the complaint with the Office of Administrative Hearings as required by law.

From the FINDINGS OF FACT, CONCLUSIONS OF LAW, AND ORDER:

"Complainant established by a preponderance of the evidence that Respondent disseminated or was responsible for the dissemination of the campaign material observed at homes in the Shakopee area on June 18, 2022. Complainant established by a preponderance of the evidence that Respondent violated Minn. Stat. § 211B.02, by knowingly and falsely implying that he had the endorsement of the Minnesota Republican Party and the Minnesota Chamber of Commerce. Complainant established by a preponderance of the evidence that Respondent violated Minn. Stat. § 211B.03, by using the term "re-elect" in a campaign for elective office on or about June 18, 2022."

"We've stated from the beginning that we would hold Bob accountable for major violations of the Fair Campaign Practices laws, for fraudulently claiming our endorsement and his damaging and illegal behavior of deceiving Republicans. The rule of law has prevailed and Bob has been held to account." Dale concluded.
