Mr. Olson presented the Board with a memo outlining the following:

If at least 25 people request a hearing on the Board's proposed rules during the formal comment period, a hearing will be held on December 17, 2024, at 9:30 a.m. via Webex. If fewer than 25 requests are received, the hearing will be canceled.

A notice about the proposed rules and the comment period will be published on October 7, 2024, starting a 30-day formal comment period that ends on November 6, 2024. Comments can be submitted to Board staff or the Office of Administrative Hearings (OAH) through its eComments website.

If no changes are made after the comment period and any hearing, the rules will be submitted for final approval to the Governor's Office, followed by a review by the OAH. The OAH has 14 days to review the proposed rules before the Board votes on a formal resolution to adopt them. Finally, a notice of adoption will be published in the State Register, and the rules will take effect five business days after that publication.

Staffing

The Board's IT staff has been supplemented with the hiring of Chaitanya Deepthi Tadinada and Prechar Xiong. Ms. Tadinada holds a Master's Degree in Computer Science and has over five years of experience in application development. Mr. Xiong has a Bachelor's degree in Computer Science and two years experience in application development. Ms. Tadinada and Mr. Xiong started with the Board on September 25, and will start immediately on a backlog of IT projects and improvements.

September Report of Receipts and Expenditures

The fourth report of receipts and expenditures for 2024 for appellate court judicial candidates, political committees, political funds, state committees of political parties, and legislative party units was due on September 24, 2024. The report covers the period from January 1 to September 17, 2024. The Board received 427 reports; as of the date of this memo, eight political committees have not yet filed a report.

In total, the reports from party units, political committees, and political funds disclose \$57,859,885 in contributions received, \$5,345,898 in independent expenditures, \$1,287,000 in contributions to candidates, \$25,194,819 in general expenditures, \$53,419 in ballot question expenditures, \$11,159,022 in contributions to party units, and an ending cash balance of \$41,828,315. In total, the reports from appellate court judicial candidates disclose \$271,497 in contributions received, \$54,886 in campaign expenditures, and an ending cash balance of \$314,905.

Report to the Legislature – Lobbying of Political Subdivisions

At the 2024 legislative session, the Board was tasked with studying whether the laws regulating lobbying do or should distinguish between lobbying of public officials and lobbying of local officials in political subdivisions. In particular, the Board was directed to study the statutory definitions of "lobbyist," "local official," "public official," and "official action of a political subdivision" as provided in Chapter 10A. The Board held a public hearing on August 19th to

hear ideas and comments from the lobbying community, organizations that represent political subdivisions, professional organizations, and good governance groups on this subject. The participation and attendance at this meeting was good, and helpful information and interesting ideas were presented to the Board. Written comments from that meeting are available on the Board's website at: cfb.mn.gov/citizen-resources/the-board/statutes-and-rules/report-to-the-legislature-on-lobbying. The recording of the hearing is also available at this link.

I have been contacted by other associations that would like to present ideas and concerns to the Board on this subject, and from individuals present at the August meeting who hope that there will be further public discussion on the subject. To accommodate this interest, I have scheduled another public meeting for the morning of Friday, October 25th at 9 AM.

Board staff has been researching what other states do regarding registration and reporting for lobbying local government and will provide information on what staff has found at the meeting.

Training

Board staff will be conducting a compliance training for candidate committees via Webex on Tuesday, October 8, 2024, at 6:30 pm. Board staff expects that the training will take about two and half hours and will be the last campaign finance training offered in 2024.

Re: Prima Facie Determination

Complaints filed with the Board are subject to a prima facie determination which are made by the Board chair in consultation with staff. If the Board chair determines that the complaint states a violation of Chapter 10A or the provisions of Chapter 211B under the Board's jurisdiction, the complaint moves forward to a probable cause determination by the full Board.

If the determination finds that the complaint does not state a prima facie violation, the prima facie determination must dismiss the complaint without prejudice. When a complaint is dismissed, the complaint and the prima facie determination become public data. The following complaint was dismissed by Chair Asp, and the prima facie determination is provided here as an informational item to Board members. No further Board action is required.

Gary Iocco

On September 6, 2024, the Board received a complaint from Carol Overland regarding Gary Iocco, a mayoral candidate in the City of Red Wing. The complaint alleged that Gary Iocco accepted a corporate contribution in violation of Minnesota Statutes section 211B.15 by not paying the fair market value for a rooftop campaign sign on a building owned by a corporation. The complaint also alleged that Mr. Iocco's campaign did not report receiving an in-kind contribution consisting of the use of the building roof, and failed to keep a correct account in violation of Minnesota Statutes section 211A.06. The complaint was dismissed due to the Board's lack of jurisdiction over the violations alleged in the complaint.

Minnesota Statutes section 10A.022 and Minnesota Rules Chapter 4525 describe the procedures required for investigating complaints. A full description of the complaint process is available on the Board's website. Briefly, the Board will notify you when it has received your complaint. The Board must send a copy of the complaint to the respondent. Complaints and investigations are confidential. Board members and staff cannot talk about an investigation except as required to carry out the investigation or to take action in the matter. After the Board issues a decision, the record of the investigation is public.

The law requires a complaint to go through two stages before the Board can begin an investigation: a prima facie determination and a probable cause decision. If the complaint does not pass one of the stages, it must be dismissed. The Board chair or their designee has 10 business days after receiving your complaint to determine whether the complaint alleges a prima facie violation. If the complaint alleges a prima facie violation, the Board has 45 days to decide whether probable cause exists to believe a violation that warrants a formal investigation has occurred. Both you and the respondent have the right to be heard on the issue of probable cause before the Board makes this decision. The Board will notify you if the complaint moves to the probable cause stage.

If the Board determines that probable cause does not exist, the Board will dismiss the complaint. If the Board determines that probable cause exists, the Board may start an investigation. In some cases the Board will issue findings, conclusions, and an order as its decision. In other cases the Board will instead enter into a conciliation agreement with the respondent. The Board's final decision will be posted on the Board's website.

The specific statutes at issue are:

- Minn. Stat. §211A.06 (1), Failure to keep a correct account;
- (& Minn. Stat. §10A.13) (4): Intent to conceal receipts or disbursements, the purpose of receipts or disbursements, or the existence or amount of an unpaid debt

- Subd. 7 – Penalty for corporations – Dehn Oil Company and/or Wilson Oil Company
- Subd. 7b – Knowing violations – individuals and/or corporations John Dehn/Dehn Oil Company and/or Mike Wilson/Wilson Oil.
- Subd. 11 – Iocco sign is NOT a permitted message on premises
- Subd. 13 – Aiding violation; penalty – unknown who aids, abets, or advises violation of the Corporate Political Contributions statute.

Complainant seeks a civil penalty, forfeiture, and referral to the County Attorney for criminal prosecution under Minn. Stat. §211A.06; Minn. Stat. §211A.09, Sub. 3 and Minn. Stat. §211B.17, Subd. 1 as amended; and Minn. Stat. §211B.15, Subd. 14.

Gary Iocco is a candidate for Mayor of the City of Red Wing, a local candidate as defined by Minn. Stat. §10A.01, Subd. 10d. Iocco filed his initial Campaign Financial Report dated August 5, 2024, attached. Minn. Stat. §211A.06 Failure to Keep Account.

Iocco reported the following disbursements on his August 5, 2024 Report, including “7/26/24 Sign Lease \$1.00” (attached, and <https://red-wing.org/DocumentCenter/View/8176/Gary-Iocco--Campaign-Financial-Report-05-31-2024-to-08-04-2024-PDF>)::

DISBURSEMENTS

Include the amount, date and purpose for all disbursements made during the period of time covered by report. Attach additional sheets if necessary.

Date	Purpose	Amount

	TOTAL	1263.00
7-31-24	SIGN	800.00
	CORPORATE PROJECT EXPENDITURES	2241.27

The most obvious violations are of paragraphs of Minn. Stat. §211A.15 prohibition of corporate donations. In this case, there was a significant corporate in-kind donation of the use of the building roof for a large campaign sign, and the “\$1 lease” that is far below fair market value. This very large Gary Iocco for Mayor sign is displayed on a roof clearly visible from Hwy 61, the main thoroughfare through Red Wing (as above photo):

The location of the sign is circled in yellow on google earth aerial view:

This business location is comprised of several parcels, all owned by RRJ Redwing, LLC per Goodhue County GIS (<https://maps.co.goodhue.mn.us/Red%20Wing%20TPV/>):

Tax Parcel ID: 556400120 outlined below is the parcel on which this building with the sign is located:

<https://maps.co.goodhue.mn.us/Goodhue%20County%20Vanguard%20URL/?esearch=556400120&slayer=0&exprnum=0&UseSearch=no&LMparent=20>

The recorded owner of Tax Parcel ID: 556400120 is RRJ Redwing, LLC, John Dehn, Dehn Oil Company, 6735 141st Ave N.W., Ramsey, MN 55303-5727.

At least one similar rooftop campaign sign was posted for a prior City of Red Wing election. Elsen for Council Wards 1 & 2, leased that location from Wilson Oil for \$100 in 2018 (Elsen Campaign Report attached). Elsen's lease amount at that time was also far below fair market value (<https://red-wing.org/DocumentCenter/View/2101/Stephanie-Elsen---Campaign-Financial-Report-08-01-2018-to-10-26-2018-PDF>).

10/15/2018	Fredrickson Outdoor Adv.	Rooftop banner	\$640.00
10/15/2018	Walmart	Rubber Bands for Brochures	\$8.18
10/16/2018	Associated Bank	Bank service fee	\$11.00
10/18/2018	Wilson Oil	Lease of building for rooftop sign	\$100.00

The former owner of this property, Tax Parcel ID: 556400120, was Wilson Oil, CEO Mike Wilson, Red Wing's current Mayor. The Wilson Oil Principal Executive Office Address and CEO's address is 2355 Old West Main, Red Wing, attached¹. 2355 Old West Main is located in the business complex:

The transactions in the Elsen Campaign Financial Report of October, 2018 are dated over a year after Wilson Oil was sold to Dehn Oil². The Republican Eagle article states that "Dehn bought

the Wilson Oil Company name,” but Secretary of State filings show that Mike Wilson remains CEO of Wilson Oil. Wilson Oil is conducting operations out of the 2355 Old West Main location, per the 2024 updated Wilson Oil website: <https://wilsonoilcompany.com/> The relationship between RRJ Redwing, LLC, now owner of the multiple parcels, and Wilson Oil, CEO Mike Wilson, is interwoven and unclear. For this reason, the party responsible for the corporate donation of display of the Iocco sign is in question – RRJ Redwing, LLC/Dehn Oil or Wilson Oil or both? Iocco’s Campaign Financial Report does not identify the lessor.

The most obvious violation is the corporate donation not disclosed, and the \$1 sign lease is far below market value for a sign that’s roughly 20’ x 10’ in a high traffic area on Highway 61 in the middle of Red Wing. In addition to prohibited corporate donation violations of Minn. Stat. §211B.015 are the associated violations including failure to report the in-kind donation for the sign location, failure to report the donation of fair market value for that sign location from late July onward, and failure to disclose the full value of the prohibited corporate donation for political purposes. The terms of the corporate contribution are not clear, nor is the donating party identified.

Corporate donations are regarded as a serious violation, with the potential of civil and criminal penalties for responsible candidates, individuals, and corporations and also those aiding abetting, and/or advising.

I, Carol A. Overland, under penalty of perjury, affirm that that the statements in the above Complaint and attachments, and assertions and claims herein are to my knowledge, information, and belief true and correct.

**STATE OF MINNESOTA
CAMPAIGN FINANCE AND PUBLIC DISCLOSURE BOARD**

**PRIMA FACIE
DETERMINATION**

IN THE MATTER OF THE COMPLAINT OF CAROL A. OVERLAND REGARDING GARY IOCCO

On September 6, 2024, the Campaign Finance and Public Disclosure Board received a complaint submitted by Carol A. Overland regarding Gary Iocco, a mayoral candidate in the City of Red Wing.

The complaint alleges that Gary Iocco accepted a corporate contribution in violation of Minnesota Statutes section 211B.15 by not paying the fair market value for a rooftop campaign sign on a building owned by a corporation. The complaint also alleges that Mr. Iocco's campaign did not report receiving an in-kind contribution consisting of use of the building roof, and failed to keep a correct account in violation of Minnesota Statutes section 211A.06.

Determination

Minnesota Statutes section 10A.022, subdivision 3, authorizes the Board to investigate alleged or potential violations of Minnesota Statutes chapter 10A in addition to Minnesota Statutes sections 211B.04, 211B.12, and 211B.15 regarding state-level candidates. Because the Board does not have jurisdiction over the statutes that might give rise to the violations alleged in the complaint, the chair concludes that the complaint does not state a prima facie violation of Chapter 10A or of those sections of Chapter 211B under the Board's jurisdiction. Pursuant to Minnesota Statutes section 10A.022, subdivision 3, this prima facie determination is made by the Board chair and not by any vote of the entire Board. The complaint is dismissed without prejudice.

Campaign Finance and Public Disclosure Board
