## CAMPAIGN FINANCE AND PUBLIC DISCLOSURE BOARD RELEASES FINAL PUBLIC SUBSIDY PAYMENT AMOUNTS FOR 2022 ELECTION

The Campaign Finance and Public Disclosure Board distributed \$2,348,803 in public subsidy payments to 316 candidates who ran for Governor, Attorney General, Secretary of State, State Auditor, State Senate or the House of Representatives in the 2022 state general election. A list of qualifying candidates and payments is attached to this release.

Of the 431 candidates for constitutional or legislative office who filed for office in 2022 and registered a committee with the Board, 384 (89%) signed the voluntary public subsidy agreement to abide by spending limits and to comply with other conditions of the agreement required under Minnesota Statutes Chapter 10A.

To qualify for public subsidy a candidate must:

- be opposed at either the primary or general election,
- appear on the general election ballot,
- sign and file a public subsidy agreement with the Board to abide by applicable campaign expenditure limits,
- and raise a specified amount in contributions from individuals eligible to vote in Minnesota counting only the first \$50 from each donor.

Money for the public subsidy program comes from the state general fund. A portion of public subsidy money is allocated to specific parties and districts based on taxpayer check-offs on income and property tax returns. By office and party, the total public subsidy payments totaled:
