INSTRUCTIONS FOR SCHEDULE B3A - IE and SCHEDULE B3B – HEN IE

Use Schedule B3A – IE to itemize independent expenditures made by your committee to advocate the election or defeat of a state legislative, judicial or constitutional office candidate only.

Use Schedule B3B – HEN IE to itemize independent expenditures by your committee to advocate the election or defeat of a local candidate in HENNEPIN County (Hennepin County offices, seats on SSD1 (Minneapolis Public Schools) School Board, or a municipal office of the cities of Minneapolis, Bloomington, Brooklyn Park, or Plymouth).

Independent expenditure definition:

- An independent expenditure is an expenditure that advocates the election or defeat of a clearly identified candidate that is made without the express or implied consent, authorization, cooperation of, and not in concert with, or at the request or suggestion of any candidate, candidate's treasurer, or candidate's agent.

Reporting Instructions for Independent Expenditures

- List independent expenditures alphabetically by the last name of the candidate that the expenditure was for or against.
- In the vendor column, list the name and address of the vendor paid. Use additional rows for multiple independent expenditures affecting the same candidate.
- If you do not spend more than \$200 on independent expenditures to elect or defeat a specific candidate, you do not itemize the expenditures under any candidate's name. Instead you include the amount in the Non-itemized Independent Expenditure total at the bottom of the schedule.
- Be sure to indicate if each itemized expenditure was for or against the candidate.
- If your committee or fund makes an independent expenditure that lists more than one candidate you must allocate the cost of the expenditure between the candidates and report the allocated amount under each candidate's name.
- Return a completed Affidavit of Independent Expenditures (on the bottom of this page) with your report.
