## General instructions

### Occupation

Your occupation is your usual trade, profession, or employment. It includes categories such as homemaker, student, and retired.

### Reporting period

The reporting period is all time served as a public official in 2018.

### Reporting sources of compensation

Based on the definitions below, list all businesses from which you received more than \$250 in compensation in any calendar month during the reporting period. Include any employer listed on page 1.

"Business" means an association, corporation, partnership, limited liability company, limited liability partnership, or other organized legal entity including a government agency. An individual acting alone in the individual's own capacity, such as in the form of a sole proprietorship, is not a business for purposes of this statement.

"Compensation" means any payment for labor or personal services as a director, officer, owner, member, partner, employer, or employee of a business. Compensation also includes payment of honoraria. Compensation does not include payments that do not result from the performance of services, such as rental income social security payments, unemployment compensation, workers' compensation, pension benefits, or insurance benefits.

### Reporting business or professional activity categories

If you don't own 25% or more of a business **or** work as an independent contractor, leave this section blank.

If you own 25% or more of a business **and** received more than \$250 in any month during the reporting period as an employee of that business, list the business or professional activity category from page 4 that best describes the business' main function and check the "Employee" box.

Or, if you received more than \$2,500 in the past 12 months for work as an independent contractor, list the business or professional activity category from page 4 that best describes the nature of that work and check the "Independent Contractor" box.

### Reporting securities

"Securities" means stocks, shares, bonds, warrants, options, pledges, notes, mortgages, annuities, debentures, leases, and commercial paper. "Securities" does not include mutual funds or exchange-traded funds.

List all businesses in which you individually or jointly held securities valued at more than \$10,000 at any time in the reporting period. Use the definition of business in the compensation section above. For securities in a business, list the complete legal name of the business, not the business's stock market abbreviation. Do not list the value of the securities.

Include securities held in Individual Retirement Accounts, deferred compensation plans, 401(k) accounts, or similar plans. List individual securities held within the plan or account, not the plan or account itself. Do not include mutual funds. Do not include securities held in defined benefit pension plans.

### Reporting real property

Do not report your homestead. Report interests in all other real property located in Minnesota that you held individually or jointly on the date your appointment ended. You must report the following interests: a fee simple interest (you are an owner, even if you owe a mortgage), a mortgage that you hold as a seller, or a contract for deed as a buyer or seller.

Report an option to buy if the value of the option is more than \$2,500 or if the fair market value of the optioned property is more than \$50,000 even if the value of the option itself is \$2,500 or less.

For each property list the county in which the property is located. Also list the complete property address. The complete property address is the street address and city, or if the property does not have a street address, the section, township, and range where the property is located and the approximate acreage.

### Waiver of reporting of second residence

Upon written request and for good cause shown, the Board may waive the requirement that a candidate disclose the address of real property that serves as a secondary residence of the candidate. Contact Board staff if you want to request this waiver.

### Reporting pari-mutuel horseracing interests

Report any investment, ownership, or interest in property connected with pari-mutuel horse racing in the United States or Canada, including a race horse. Include any direct or indirect, partial or full interest held by you or an immediate family member.

Attach additional pages if necessary to complete any of these schedules.
