CAMPAIGN FINANCE AND PUBLIC DISCLOSURE BOARD RELEASES FINAL PUBLIC SUBSIDY PAYMENT AMOUNTS FOR 2012 ELECTION

During 2012 the Campaign Finance and Public Disclosure Board distributed \$1,949,951 in public subsidy payments to 348 candidates running for state senate or state representative. The 348 candidates who received a public subsidy payment represent 86% of the 404 candidates who were on the general election ballot. A list of qualifying candidates and the payments they received is attached to this news release.

Of the 446 candidates who filed for state legislative office in 2012, 383 (85%) signed voluntary agreements to abide by spending limits and other conditions required to be eligible for public subsidy of their campaigns.

To qualify for public subsidy a candidate must:

- be opposed at either the primary or general election,
- appear on the general election ballot,
- sign and file a public subsidy agreement with the Board to abide by applicable campaign expenditure limits,
- and raise a specified amount in contributions from individuals eligible to vote in Minnesota counting only the first \$50 from each donor.

Money for the public subsidy program comes from the state general fund. A portion of public subsidy money is allocated to specific parties and districts based on taxpayer check-offs on income and property tax returns. By office and party, the total public subsidy payments totaled:
