## **CAMPAIGN FINANCE AND PUBLIC DISCLOSURE BOARD RELEASES FINAL PUBLIC SUBSIDY PAYMENT AMOUNTS FOR 2014 ELECTION**

During 2014 the Campaign Finance and Public Disclosure Board distributed \$2,429,596 in public subsidy payments to 238 candidates running for state constitutional office or state representative. The 238 candidates who received a public subsidy payment represent 85% of the 281 candidates who were on the general election ballot for those offices. A list of qualifying candidates and the payments they received is attached to this news release.

Of the 312 candidates who filed for state constitutional or state legislative office in 2014, 276 (88.5%) signed voluntary agreements to abide by spending limits and other conditions required to be eligible for public subsidy of their campaigns.

To qualify for public subsidy a candidate must:

- be opposed at either the primary or general election,
- appear on the general election ballot,
- sign and file a public subsidy agreement with the Board to abide by applicable campaign expenditure limits,
- and raise a specified amount in contributions from individuals eligible to vote in Minnesota counting only the first \$50 from each donor.

Money for the public subsidy program comes from the state general fund. A portion of public subsidy money is allocated to specific parties and districts based on taxpayer check-offs on income and property tax returns. By office and party, the total public subsidy payments totaled:
