CAMPAIGN FINANCE AND PUBLIC DISCLOSURE BOARD RELEASES FINAL PUBLIC SUBSIDY PAYMENT AMOUNTS FOR 2016 ELECTION

During 2016 the Campaign Finance and Public Disclosure Board distributed \$2,162,062 in public subsidy payments to 339 candidates running for state senate or state representative. The 339 candidates who received a public subsidy payment represent 89.7% of the 378 legislative candidates who were on the general election ballot. A list of qualifying candidates and the payments they received is attached to this news release.

Of the 435 candidates who filed for state legislative office in 2016, 372 (85.5%) signed voluntary agreements to abide by spending limits and other conditions required to be eligible for public subsidy of their campaigns.

To qualify for public subsidy a candidate must:

- be opposed at either the primary or general election,
- appear on the general election ballot,
- sign and file a public subsidy agreement with the Board to abide by applicable campaign expenditure limits,
- and raise a specified amount in contributions from individuals eligible to vote in Minnesota counting only the first \$50 from each donor.

Money for the public subsidy program comes from the state general fund. A portion of public subsidy money is allocated to specific parties and districts based on taxpayer check-offs on income and property tax returns. By office and party, the total public subsidy payments totaled:
